ADDC Insight

On The Horizon*Region III Approves Website*

As Claudia Prather, 2017 Region III Director, mentioned in her enclosed May newsletter, “the Region III website was approved” during the regional business meeting in April and it “will now become a reality.” There is a formal approval process that first needs to be completed with the ADDC Board, but the Region III website will be unveiled no later than Convention barring any unforeseen administrative hurdles or technical difficulties.

This marks the fifth regional website to be approved by the membership. Regions I, II and VI are live on the Web and the Region VII website is nearing completion. Region VII approval of the design and content is pending prior to publication. The Region VII website will be unveiled at the Region VII Meeting in June and should be live on the Web by the middle of the month, again barring any unforeseen administrative hurdles or technical difficulties.

*66th Annual ADDC Convention and Educational Conference
San Antonio, Texas
September 19–24, 2017*

As Marilyn Carter, 2017 Region VII Director, mentioned in her enclosed May newsletter, “The 2017 ADDC Convention is being held in...September. The registration package is now available on the ADDC website. If you cannot find it, please contact your [Club] president for a copy. From what I have seen so far, it will be a wonderful, educational conference with something for everyone. Please sign on to the ADDC website and don't forget to send your registration in early, so you won't be disappointed that the most popular field trips have sold out and you have to choose another.”

Well said, Marilyn! –Editor

May 2017,

Friends and fellow members,

What can I say, ADDC is in full swing. Four regional meeting are now in the books, and we have 4 new RD Elects eagerly waiting to get down to business. In less than a month all 7 regions will have had their meetings, and preparations for Convention in San Antonio will be in hyper drive. It's amazing to see all of the enthusiasm for our Association. I am inspired more and more by each Regional meeting.

The month of May brings with it flowers, new life and the end of tax season. Well almost. If you haven't done so yet, you must file your club's 990 by May 15th. Also, your club must fill out ADDC TAXE1 by the 15th, and send copies of both to your Region's Tax Exempt committee rep. I know the board talks about it every year, but it is an important part of keeping our tax exempt status. If you have any questions, you can contact Judy Saf, Committee Chair, or me.

Since I'm mentioning deadlines, the deadline for nominees to the 2018 Board of Directors is approaching. Have you thought about being an officer of the Association? I have to admit I loved my time on the board. Being an officer for ADDC is one of the most rewarding experiences in my life. Have I loved every minute? No, of course not, but I have enjoyed every step in my journey. ADDC has afforded me the opportunity to learn more about the industry, and myself than any school or employer ever could. So think about it, and take the next step. You will not regret it. You have until June 2, 2017 to decide and submit your nomination.

Our members have so much to offer, you have to wonder why our numbers are dwindling. I have to believe part of that is how we represent ourselves. How do you respond when someone asks you what Desk and Derrick is? Do you just shrug it off? Do you say that we're an oil and gas organization, and just leave it there? Or are you enthusiastic and start a five minute discussion on what D&D is? This point was brought up at the Region III meeting this past weekend. We are going to be posting an "elevator speech" on the website. This a s brief synopsis of what ADDC represents, something that gives you all the information you need, and can be presented briefly, while on an elevator for example. We plan to have it available to the membership by the end of the month. In the meantime, think about what D&D means to you, and how you describe it to someone outside of our industry. You may just be the best advertising agent for what ADDC has to offer.

Until next month,

Maggi Franks

Region I Director's Newsletter

May, 2017

May flowers are in full bloom, green hills and blue skies are all around us. It is a beautiful time of year!

This is a perfect time of year to visit Niagara Falls! Just like Goldilocks found with the Bear family's porridge – it's not too hot, not too cold, but just right!! PYOGA has been working hard to bring you the 2017 Region I meeting in beautiful Niagara Falls May 18 – 20. Hope all of you can attend this informative, educational, and fun event.

Along with the flowers popping up so is the drilling in PA, WV, and OH!! Great news for the industry, the economy, and ADDC!

I have had the opportunity to do a little traveling this year for my employer. While out of town I was able to meet with some of our Region I members from Three Rivers, Buckeye, Oil Heritage, and PYOGA. The enthusiasm and excitement of Region I members should be bottled and spread throughout the world!! You are all truly the greatest asset to the industry, the Association and most of all to Region I! To quote a previous Region I Director (April Lang) "GO REGION I"!!

This month members of ADDC and guests will meet at Niagara Falls, NY to be educated on another power source, one we sometimes take for granted - water. We will also be educating each other on our slice of the industry. I am extremely excited to hear about some of the visions for the future from our delegates, welcoming words from Keith Atkins, 2017 ADDC Secretary, and words of enlightenment from the 2017 ADDC President, Maggi Franks. WOW – a power packed weekend!!

More facts about Niagara Falls: 45,000 pounds of food is used annually to feed the entire animal collection at the Aquarium in Niagara. 8 million visitors visit Niagara Falls State Park every year. Free to see in Niagara Falls: Niagara Falls State Park including Prospect and Terrapin Points, Luna Island, Three Sisters Island, Devil's Hole State Park – picnic by the gorge or try world-class fishing, and the Castellani Art Museum at Niagara University. There is something for everyone in Niagara Falls where power and beauty live peaceably together.

2017 Dates to Remember

May 18 – 20: Niagara Falls, NY meets ADDC members and guests for the Region I meeting. I can already feel the energy building – can you?

September 18 – 23: 66th Annual International Convention in San Antonio, TX – the River Walk looks wonderful!!

Sincerely, Bev

REGION I MEETING
“Energy: A Powerful Message”

SAVE THE DATE

May 18-21, 2017

You won't want to miss this one--it's all about hydro energy!

Sheraton at the Falls will be our hotel for the weekend. Rates are \$134 per night and they have agreed to honor these rates two days before and two days after. This is just blocks away from the falls and right across the street from the Seneca Niagara Casino.

It all begins on **Thursday** with the **Certification Class—Completion and Production** with our Instructor John Holko. **Friday** will be the **field trip** at Covanta Niagara, turning garbage into energy and then to the Niagara Power Vista, visitors' center for the Niagara Power Project, New York State's largest electricity producer. Experience the Surround Sound 4D Theater, Erosion in Motion, and Build-a-Dam exhibits. The outdoor observation deck is 350 feet above the Niagara River. Then on to the Maid of the Mist boat trip and a walk –on- guide will take us to other sites along the river. **Saturday** will be the business meeting and Industry Luncheon with a keynote speaker from the U. S. Army Corps of Engineers and of course the Saturday evening banquet with a speaker from Dundee Energy. Penn York Oil and Gas Affiliates has many surprises in store so please join us in 2017! More to follow in the registration packets.

The 2017 Membership Committee has issued a formal challenge to every local Desk and Derrick club to convince a potential new member to attend a meeting at no cost for his or her meal. The stated purpose of this Meal Reimbursement Plan is to financially aid clubs in recruiting new members. The reimbursement capped at \$35 with all the details outlined on the ADDC website under Member Tools section. Any questions on the program address Lawrence A. Edelstein, President of Three Rivers Desk and Derrick Club and ADDC Membership Chairman at ledelstein@mwgary.com

ADDC Membership as of April 26, 2017: 1,358 members
R I: 221, R II: 90, R III: 231, R IV: 254, R V: 286, R VI: 207, R VII: 69

66th Annual ADDC Convention, September 18-23, 2017, Holiday Inn Riverwalk, San Antonio, Texas is hosted by Region IV. Call hotel direct at 210-224-2500 with room rates of \$149 single and \$159 double includes breakfast buffet voucher. Field trips to include an advanced technology manufacturing plant, Toyota plant tour, trip to Hill Country Wineries, a tour of the Nimitz War Museum, Calumet Refinery tour and San Antonio Missions tour. Seminars include leadership training, "What makes my Club Tick", the evolution of the shale revolution, geology from kitchen tap to gas tank, cyber security, and investigations to catch oil thieves and a Drilling certification class. Registration fee at \$225 by August 1. The registration packet with tentative agenda is on the ADDC website.

Our regional club programs have been varied and interesting with a sampling of current meetings. **Bay Area:** current issues involving legislators and how to answer questions to non-industry. **Heartland:** completion operations on cementing, acidizing and fracturing. **Olney:** rotary-steerable tools and developing cost efficient bits. **Tri-State:** presentation on 2018 Evansville, IN convention.

The Region II website can use pictures of your club meetings, speakers, field trips and any other information you would like to appear on our Calendar of Events. Send information to Ryan Masterson, our Region II ADDC Technology Rep, at masterson@kcpag.com

Spring has arrived in Region II and many of us are busy in our yards and gardens preparing for the busy summer ahead. I am looking forward to all the warmer months coming up. Until next month, enjoy life!

Dear Region III Members:

What an experience! This year's Region III meeting was truly a unique and magnificent experience for me on so many levels. While one of the field trips went to the Lion Oil refinery and El Dorado Chemical, the other one went to the Ouachita Electric/Camden Industrial Park which including seeing a solar panel field. The seminars educated members about a "Life Cycle of an Oil Molecule" and the "Lion Oil Refining Process and Procedures." The Certification class I attended was very educational and well done. The El Dorado Club really did a tremendous job in providing everyone with educational field trips, seminars, networking, good food, and even some fun, which just made the whole meeting complete. Everyone who attended provided their own Open Hands: Receive by Giving while at the meeting. Thank you, El Dorado Club, for giving me an outstanding, wonderful Region III experience and meeting!

During the business meeting, it provided us to make the following changes to the Region III Fund Resolution: The Region III website was approved and will now become a reality. Proposed change #1 passed, while Proposed change # 2 did not.

Since our region had two candidates for Region Director, it made for a little different meeting this year. Competition was tough, but as in all elections, there can only be one person to emerge to fill the position. I am happy to announce that the new 2017 Region III Director Elect is Carol Schiavone! Congratulations, Carol! I know when you take the reins in 2018; you will do an outstanding job in leading us through another successful year.

Speaking of next year, it isn't too early to volunteer for an ADDC committee as a Region III Rep or Chairman for 2018. Carol, as well as our 2017 ADDC President Elect, Christina Forth, would greatly appreciate having their committees and chairman's positions filled as early as possible. It is a most rewarding experience to serve in either of these capacities, so I want to encourage you to sign up now.

The Award of Merit Luncheon was also very exciting for me this year. I had completely forgotten that I personally had entries. That is until they called my name as a 3rd place winner for the Best President's Letter category. Wow! I was shocked and thrilled all at the same time. Then it only continued to get better because when the category of Best Industry Photograph was announced, they called my name as a 2nd place winner. What an added bonus to being Region Director, than to place in the awards! Obviously, first place is always the best place, but I am just thrilled to pieces that I placed at all. Congratulations to all of the first place winners, as well as, all of those who placed second and third. However, I have to say, everyone who takes the time to enter something is already a winner whether they place or not. I want to

ASSOCIATION OF
DESK AND DERRICK
CLUBS

encourage everyone to make the time to write an article to submit for competition. You never know that you might not take home an AIMEE. One thing is for sure though you definitely won't take any awards home if you don't ever enter anything. Here is a list of the first place winners:

Claudia Prather

❖ Best Industry Field Trip:	Laurel
❖ Best Industry Photograph:	Lafayette

Congratulations to all of these first place winners and I wish you success at the competition at Convention!

Speaking of Convention, the packets are now available on the ADDC Website. If you haven't already been on the ADDC website, you need to go check it out. Be sure to get your registrations sent in early so you can be sure to get the field trips you want, they tend to fill up pretty quickly. I look forward to seeing everyone at Convention.

Please remember to mark the following important dates on your calendars because they are rapidly approaching and you do not want to miss them.

- ❖ *May 15th is the deadline for all clubs to have their ADDC Form TAXE1 and/or IRS 990 filed with their Tax Exempt Region Rep.*
- ❖ *Monthly Program reports should be sent in to Dianne Badeaux, no later than a week after the monthly meeting.*
- ❖ *Deadline for ADDC Officer Nominations is June 2, 2017.*

Once again I want to express my gratitude to the El Dorado Club on a job well done for our Region Meeting this year. However, I also want to express my gratitude to ALL of the Region III members who were in attendance. Thank you for being a part of and making my year as your Region Director a most memorable and rewarding experience!

May 2017

As you read this letter, we will be in Corpus Christi for the Region IV Meeting. I wish each of you were able to attend. A very full and exciting weekend – election of the 2018 Region IV Director, educational & fun field trips, great seminars, networking, seeing old friends and making new ones! An exciting time to be in Desk and Derrick!

One of the highlights of the Regional Meeting is the Regional AIMEE Awards. In next month's letter I will have all of the Members/Clubs that took home awards. I will also give the results of the vote on the Amendment to the Region IV Resolution.

I was privileged to attend the Region V Regional Meeting in San Angelo, Texas and what a warm welcome I received. A great field trip and educational seminar – not to mention the Friday Night Function at Fort Concho! Wonderful food, show and music. I will be attending Region I Regional Meeting in Niagara Falls, NY in May. Every member of Desk and Derrick can attend any Regional Meeting – so if you have never visited another Regions Meeting - please put this on your list!

Do you realize that in just four and one-half months – the 66th ADDC Annual Convention will be held in San Antonio? The Registration Packet is now available on the ADDC website – easy to find. Look at the left side of your screen and you will see a drop down list, go to Convention – General Information and you will see the Registration Packet. Open it up and print this off, decide what activities you want to attend and send your check to the address on the form. The Holiday Inn Riverwalk is the host hotel and you can go ahead and make your hotel reservations now.

At the Region IV Meeting, during the President's Meeting, we discussed how each club can assist for the 2017 ADDC Convention. So be sure and ask your President what committee your club will be assisting with during the Convention. **Remember this is Region IV endeavor** and we want to as many "**hands on deck**" as possible. It does indeed take a village to put on a Convention!

Evelyn

May, 2017

I want to thank all those who attended the Region V Meeting in San Angelo, April 20-22. We had 65 members registered plus guests. I hope you found the meeting educational, stimulating, kind, warm and fun. The field trip to Apache Corporation was great. The Ice Breaker at Fort Concho with the Fiddle Fire lady, Dorothy Douthit, was incredible. She related to us that her mother had been in Desk and Derrick in Michigan. The Certification Class had many attending, including some of the First Timers.

The San Angelo Club is to be commended for their excellent choices and attention to every detail. The friendliness of their club and the whole town was wonderful. I could not have asked for a better group to work with.

We had a surprise visit from a President Trump impersonator and Jan was a hoot. I think we all want to sign up for Roswell next year just to see if she can top her performance. Seriously, I can't wait to see what Roswell holds for us in 2018.

Andrea McGarrah with the Artesia Club was elected as the Region V Director Elect. She will attend Convention and take part in the Board Meetings and Board Field Trip. Congratulations Andrea!

At the Open Forum many items were discussed. Make sure your club is reading the proposed amendment changes. These will be voted on in September. I do hope we all learned that budgeting is the key in any organizations' livelihood.

Philana Thompson, from the Farmington Club, proposed Albuquerque, New Mexico as the site for Convention in 2022. Region V will be responsible for putting this convention together. The first presentation will be in 2019, Kansas City, Missouri.

The two speakers were great. At the Awards Luncheon, Maggi Franks shared her experiences in life that have made her the woman she is today. The Banquet speaker was very knowledgeable about our industry and works with lawmakers to help them understand what we do. Luke Legate was easy to listen to and fielded all the questions we threw at him.

The Region V contest winners will advance to compete at Convention in San Antonio against the other 6 regions. Good Luck!

Region VI Members;

Our 62nd Annual Region meeting in Tulsa, OK at Post Oak Lodge was a success! We had several attendees for the Geology class on Thursday and the weather was wonderful for the field trips on Friday to the Pensacola Dam and the Osage wind farm. Saturday was bit rainy but I believe everyone loved the low key feel of this resort. It was something different for us in quite a while!

I would like to give yet another shout out to the host club. Tulsa was a pleasure to work with made my job easy! They had beautiful decorations for the luncheon and banquet and plenty of homemade goodies all weekend in hospitality! They even had Desk and Derrick M&Ms!

Congratulations to CASI NICHOLS of the Enid club who was elected as the 2018 Region VI Director! Casi has a passion for the club and a vision of forward thinking that I think will help make our region prosper. She has been President of her club five times and believes it is time for her to take that next step. I am looking forward to seeing all that she will accomplish.

I emailed the Presidents all of the committee reports. They are also posted on the ADDC website for your convenience. And we now have a search engine to make them easier to find.

Also, a quick reminder that the Distinguished Service Award (DSA) & Special Achievement Award (SAA) deadlines are on 7/15/17. You can find the qualifications on our website.

Congratulations to all our Regional AIMEE winners. We had 37 entries this year. Everyone did a fantastic job and we are looking forward to winning some at Convention in September!

Regards,

Wendy Sparks

Region VII Members

May is just around the corner, and our Region VII Meeting is coming almost as quickly. It is not too late to register and we would love to have you. Our region has grown smaller which means there are less of us to carry the work load. I hope you are not feeling pressured. It is unfortunate, but we have had to cancel the Certification Course seminar on Production Accounting, due to lack of interest. Maybe next year we can try to run another course.

On a positive note, those who attend the meeting will get their first look at our Region VII Website. Wayne Ammons will be attending and will show us what he has been working on. You will be able to share your ideas directly with him and he will be able to take your ideas away with him. The Region VII website is all about communication. It is a way for us to share what we are doing at the club level, with others in the region. In some cases, we can share speakers, in others we can share field trips or seminars. Let's make the website start working for us. It is only as good as the information that is sent in to Wayne to upload to the website.

The 2017 ADDC Convention is being held in San Antonio, TX, September 19-24, 2017. The registration package is now available on the ADDC website. If you cannot find it, please contact your president for a copy. From what I have seen so far, it will be a wonderful, educational conference with something for everyone. Please sign on to the ADDC website and don't forget to send your registration in early, so you won't be disappointed that the most popular field trips have sold out and you have to choose another.

I hope to see you all next month in Grande Prairie.

Until next month.....

Marilyn

Marilyn Carter
2017 Region VII Director

ASSOCIATION OF
DESK AND DERRICK
CLUBS

Together, we can Fuel the Future!

June 1 - 4, 2017

On behalf of Region VII Director, Marilyn Carter, and the Grande Prairie Desk and Derrick Club, I invite each and every one of you to join us at the 2017 Region VII meeting in Grande Prairie, Alberta.

Grande Prairie is located 459 kms (approximately a 4.5 hr. drive) northwest of Edmonton. It is the largest city in northern Alberta with a population of over 70,000. Our city is known as the “Hub of the Peace”. We will be throwing down our bedrolls at the Pomeroy Hotel & Conference Centre. (Formerly known as the Grande Prairie Motor Inn). Complimentary Hot Breakfast is included in the rate. The Grande Prairie Mall is directly across the parking lot from the hotel. Literally only a hop, skip and a jump to the mall.

Registration will be held on Thursday (June 1) evening with a Meet ‘n Greet. Wine and cheese will be served and a cash bar will be available as well. However, if you decide to partake in one of the seminars that have been arranged these will take place at 9:00 am (Thursday) for the “Production Accounting”. Followed by “Discover the Peace” Seminar starting at 2:00 pm. This seminar will help you create memories of your visit to the Peace Country.

The last time the Grande Prairie Club hosted a Regional meeting was in 2009. Therefore, our Arrangement Committee have decided that this portion of the day will be a replica of the activities that the members who attended experienced eight years ago. Starting “early” Friday morning we will board buses to re-enact the “River of Death” tour. The river boats will transport us to the bone beds where dinosaur fossils have been found in the Peace Region. When we get to the Phillip J. Currie museum we will be transported through time to over 65 million years ago. We will encounter some of the creatures that roamed the earth, right here in our own backyard.

Our day is not yet finished! We will be experiencing the Chuck wagon races at Evergreen Park. The Chuck wagons are an important part of Grande Prairie as we have several families that have made their mark in the Chuck wagon world. Grande Prairie’s claim to fame is Kelly Sutherland a 12 - time Rangeland Derby Champion. Come dressed in your cowboy hats, boots and spurs! Food and drinks will be provided to enhance the experience as we watch the entertainment of the horses, wagons and outriders speeding around the track. Then we will be wrangled back onto the bus as we ride off into the sunset! Saturday, we will be focused on the Business Session, Membership Recognition Luncheon and Industry Banquet. The Keynote speakers that have been invited to luncheon and banquet will be informative and inspiring.

Our Arrangement Committee have done an outstanding job arranging all of the activities that are a part of the Region VII Meeting. I would like to express my thanks to the members of the Grande Prairie Club who have come together to “Fuel” the success of our Regional Meetings with their time and energy.

I will be looking forward to seeing each and every one of you on June 1 – 4, as “Together, we can Fuel the Future!”

Wanda Guenther, GAC Co-Chair

2017 Region VII Meeting

UPDATED ITINERARY FOR THURSDAY & FRIDAY

Thursday

Meet & Greet	7:30 – 8:30 pm
Open Forum	8:30 – 9:30 or 10:00 (as needed)

Open Forum will be in the same room as the *Meet & Greet* and will follow it so you won't have to switch rooms.

Friday

Leave Hotel	7:30 am
Load Boats at Magoo's	8:00 am
Offload at Pipestone	11:30 am
Museum Lunch	12:15 pm
Tour of Museum	1:00 – 2:30 pm
Back to Hotel	2:30 pm (arrive at the hotel at 3:00 pm)
Leave for Evergreen Park	3:45 pm

To be loaded and heading to the track for supper and *Grand Entry*. You will need to walk from the main building to the track. If anyone requires a people mover please let me know when you send in your forms so that I can arrange to have that at the main building for you.

Leave for Hotel	10:00 pm

Good afternoon ADDC Board and Members; Welcome to spring.

I hope this letter finds all of you doing well and enjoying spring 2017. ADO has been extremely busy updating information in the database for 2017 renewals as well as preparing for Region Meetings and 2017 Convention.

All Regional award certificates for both, years of Service and AIMEE Award of merit have been sent to all regions in order to insure that the 2017 Regional Directors are set for their respective regional meetings.

I have been receiving only positive feedback on the region meetings that have been held so far. Everyone who has attended appears to have had a great time and learned a great deal and enjoyed all of the networking events. This is no surprise to me as I know that all of our Region Directors, Board Members, Club Presidents and members are part of the best educational and networking organization within the energy industry.

I hope everyone is looking forward to the Region meetings that are still yet to be held and that you make the most of your time learning, networking and getting caught up with great friends.

The 2017 Convention is only 5 months away, hard to believe that 2017 is moving so fast but it is in fact. I hope everyone is making plans to attend the 2017 ADDC Convention in beautiful San Antonio Texas. I know that Region IV and GAC, Evelyn Green is working hard to assure a fantastic convention and one we will not soon forget. Let's all do our part to make plans to attend and make this the best and most well attended convention that ADDC has held. If ADO may be of assistance with answering any questions regarding Region Meetings or convention please contact me via Email or Phone.

I hope everyone has a great Memorial Day holiday and kicks of summer with a bang.

Until next month let's keep our feet on the ground and keep reaching for the start in ADDC.

Sincerely;

Mark Loch

March 30, 2017

All Club Presidents,

I want to thank each of you for "Stepping Up" to be the leader of your Desk and Derrick Club for 2017.

I would like to thank all of the volunteers who have agreed to serve on this committee. Please note your Region Reps name as follows:

Region I - Patricia Brink Region II - Betty Wajda
Region III - Lori Landry Region IV - Donna Altomari
Region V - Shirley Bridwell Region VI - Tammy Garth
Region VII - Donna O'Neill

Please go to the ADDC website and download the Region Meeting Credentials form (cred_2-revised 2). You will fill this form out and send it to your Region Rep. This form must be sent to the Rep at least two weeks prior to your Region Meeting. The Rep will be responsible for having a copy of this form at the Region Meeting. The Rep will check you in prior to the start of the Business Session of the Region Meeting.

Regards,

Beverly Kovacevich,
2017 Registrar Committee Chairman

About Our Association

MOTTO

Greater Knowledge—Greater Service

PURPOSE

The Association of Desk and Derrick Clubs (ADDC), an international non-profit organization, is a premier provider of energy education and professional development. ADDC's purpose shall be to promote the education and professional development of individuals employed in or affiliated with the petroleum, energy and allied industries, and to educate the general public about these industries as well as the companies and global communities the members serve.

MISSION STATEMENT

Our mission is to enhance and foster a positive image to the global community by promoting the contribution of the petroleum, energy, and allied industries through education by using all resources available.
