

ADDC Approved Ads

The images below are of the approved ads available for your club to use to advertise your club. They are available on the ADDC Web site in both low resolution version suitable for viewing and printing on copying machines. The high resolution versions are suitable for printing on high resolution printers, including presses. They can be proportionally reduced for printing in smaller publications (all are 8.5x11). Please contact ADO if you need a smaller ad that does not reduce proportionately from this size.

Each ad has an editable text box for you to clear and type in your club's contact information.
