

# JOIN!

(insert club logo)

The *(insert club name)* is a dynamic organization that promotes the education of the petroleum, energy and allied industries and advances the professional development of its members.

One of our primary member benefits is the opportunity to network with industry leaders and colleagues locally and throughout the United States and Canada, expanding our personal and professional horizons.

For more information about the *(insert club name)* and to learn about member eligibility, go to *(insert club website address)*, or contact *(insert club Membership Chairman telephone number/email address)*.

The *(insert club name)* is a proud affiliate of the Association of Desk And Derrick Clubs,
