April 2020

I hope all of you are following your state guidelines and staying healthy during this unprecedented time. It seems like forever now, but things WILL improve and we will once again be able to live life as we once knew it!

If your club is small, it may be possible to have a monthly meeting, if attendance is within state guidelines for how many may gather for meetings. If your normal attendance is more than that, consider conference calls or video (Skype) meetings. Or you can wait till we can hold meetings again - only need 4 industry related, and 5 total!

Keep in mind, that TAXE1 forms need to be filed by May 15, 2020. Any questions, please ask.

I am waiting for committee reports so that I can send them to all club presidents to discuss with your club members.

As soon as I have the information about next year's Northeast Region Meeting bid, I will forward it along with the vote on Cindy Krebs' nomination for 2021 Northeast Region Director. Then we can ratify the votes at Convention. I am confident that we will be past all these virus restrictions and look forward to seeing many in Pittsburgh in September!

Remember to WASH YOUR HANDS! Stay home, especially if you don't feel well, and we will get through this!!!

Until next month,

*Shelly Hildebrant*
