Central Region Members,

Welcome spring and summer! Let's kick this COVID-19 out of here!! I am so thankful that we are starting to see states and businesses start to open back up and I pray that this virus stays at bay as planned in all areas of the world! As stated in April's newsletter any official Central Region business will be conducted via email or by electronic means with a possibility of some sort of webinar later in the year but well in advance of the 69th Annual ADDC Convention scheduled to be held September 16-20, 2020 in Pittsburgh, Pennsylvania. Kay McKinley with the Desk and Derrick Club of Liberal, out of the great state of Kansas, has submitted her application for nomination as 2021 Central Region Director. Kay has an extensive background as a Desk and Derrick member beginning in 1990 and has attended well over 10 national conventions and 10 regional meetings. Please let me know promptly if there are any other nominations for 2021 Central Region Director.

During the monthly board meeting call it was mentioned to challenge the local clubs with bringing on 3 members each per year. I encourage each one of you to do so! Although that number seems relatively small, in masses, it can do great things for our organization as a whole!

Please be mindful of all Presidential, CDC, Gubernatorial, Mayoral mandates and state of emergency rules. Clubs in our region vary in size and we are all now very aware of social distancing. These are unusual times and each club should follow what is mandated in their own area with special consideration for those that are of an older age and any sort of immune deficiency. Please be very considerate and cautious.

Save the Date:

69th Annual ADDC Convention

September 16-20, 2020

Pittsburgh, Pennsylvania

Sheraton Pittsburgh Hotel – Station Square

Thank you all for your patience and continuing support! I hope that everyone has stayed healthy and taking care of themselves and their families during these strange times.
