## 2020 Convention Report

### 2023 Convention, hosted by the West Region Clubs

Due to COVID-19 the 2022 Convention to be held in Albuquerque, NM has now been moved to 2023 for the 2022 Convention, the dates will be 9/19/23-9/24/22 at the Sandia Resort & Casino.

In the 2020 Regional report we announced that we had requested bids for a convention planner, we received two. The committee did choose one of the two, however, at this time we are on hold and will provide the details of who will be filling the role of the convention planner in the next couple of months.

It is important to note that we had not signed a contract with the hotel, we had only locked in the date and room rates with the hotel. With COVID shutting everything down the hotel understands that we will be reaching out to re-negotiate the date and room rates in the next couple of months.

At this time, we still plan on utilizing the Sandia Resort & Casino, the Convention planner will be tasked in working with the hotel to secure rooms & updated rates.

Thank you,  
Philana Thompson & Ingrid Burton
