Association of Desk and Derrick Members:

The Desk and Derrick Educational Trust is here to assist qualified student citizens of the United States and Canada obtain a scholarship. They must have completed two years of undergraduate studies and have a minimum 3.2 overall GPA on a 4.0 scale for the United States or 80% and above for Canada and be enrolled in a full-time program. Applicants must be pursuing a degree in a major field of study related to qualifying for full-time employment in the petroleum, energy, or allied industries, and have a need of financial assistance.

We also offer a scholarship for part-time study by a Desk and Derrick Club member. The member must be employed in the petroleum, energy, or allied industry and enrolled in a field of study related to the petroleum, energy, or allied industry for a minimum of two courses per school year. The scholarship application is available on our website at [theeducationaltrust.org](http://theeducationaltrust.org).

The Trust was created in 1982 and the first scholarships were awarded in 1984. COVID-19 did not stop the Trust from recently awarding \$16,000 in scholarships for the 2020-2021 academic year. The Trust has now awarded \$517,200 to deserving students! We ask that you please remember the Trust with personal or club donations honoring your monthly speakers, seminar leaders, employers, employees, members, and memorials – or donate just because you care enough to help these deserving students. The Desk and Derrick Educational Trust is a tax-exempt organization under Section 501(c)(3) of the United States Internal Revenue code.

The 2020-2021 Trustees are: Natalie Bright, Co-Chairman, West Region; Donna Siburt, Corresponding Secretary, Southeast Region; Joyce Nolly, Recording Secretary, West Region; Kim Oelze, Treasurer, Southeast Region, and Rena Shaffer, Chairman, Central Region.
