December 2020

Dear Members,

It is hard to believe that this is the last Director Newsletter I will be writing and what an eventful year this has been. Hoping that everyone is doing fine, staying safe and adhering to all the precautions of this CO-VID.

I wish the best to Margie Steed, Southeast Region Director-elect, and she knows that she can call or email me. The 2021 ADDC Board will be very supportive of her also and of course, her home club, Red River.

Kudos to President Keith Atkins for guiding us through this year with zoom meetings, keeping us informed of all ADDC business, our numerous motions to vote on items by email. It was really an eye-opening experience serving on the Board. All the Officers and other Region Directors were very helpful with any questions I had, and answered all my emails also.

Thanks to the Westbank Club members, I knew I could count on them during the year, that was a given. They know I appreciate and cherish each and every one of them.

Don't forget to send in your membership renewals, ADDC needs you especially after this year. We will bounce back from this also, we miss seeing our Desk and Derrick friends. It was so good to install the Baton Rouge Club members this week and get to finally meet up with our members. I have two more installations to do and looking forward to those also.

I want to personally wish everyone a Joyous and Blessed Holiday Season.

Sincerely (teary-eyed) yours,

Susan Miller
2020 Southeast Region Director
