Souder, Miller & Assoc.

Happy April,

What a difference a year can make. I hope that each of you are looking at receiving the vaccine soon.

I want to remind all of you that the Association is offering virtual classes for certification. These classes are a one- time offer at \$25. These are not being recorded at this time. These are live events and if you cannot attend, they will be offered at regular Regional and National convention meetings.

Here are the Certification classes being offered and sign-up information:

These courses are open to any member of ADDC.

The classes will be held on a Saturday and will last 4-5 hours. 4/10/2021

Virtual Geology Instructor Heather Woods 4/24/2021

Virtual Drilling Instructor Philana Thompson 5/8/2021

Virtual Land & Leasing Instructor Ramon Hancock

Accounting will be offered at convention this year in New Orleans at a cost to be determined.

If you are interested in participating in any of the virtual courses, please send an email to me at pthompson@merrion.bz.

Once you have emailed me, we will provide the link for the virtual invite and payment options.

As we get closer to the certification date more detailed information will be provided i.e., handouts, slides, etc. Please note that the test and class survey will be done electronically through Google docs/forms.

I hope that you all consider taking these classes.

We are at a turning point in this Pandemic Crisis, stay safe, stay alert and keep on learning. I hope that I will get the chance to see a lot of you at convention September 21-25, New Orleans, Louisiana.

Get outside in your yards, plant the beautiful flowers and showcase your inner talent of creating beauty where you see a blank canvas. You are capable of great inspiration to others.

Cindy Krebs
