Candidate's Goals - 100 words or less
As I have experienced this year as a Region Director, the reports provided by the Treasurer are very important for the Board to make informed decisions and to provide the Clubs with clarity on the disposition of the Associations
finances. As Treasurer, I will make the timely provision of these reports priority. As a member of the Board, I
support the responsible allocation of the Associations' resources through a balanced budget and a self-supporting Convention.
