March, 2022

As we move full steam ahead into March we are getting closer to the regional meetings! I have booked my flights and plan to attend 3 of the 4 regional meetings in person. Northeast plans to host a virtual region meeting for 2022, which I plan to attend virtually. I look forward to visiting with members in each of these regions and will be happy to answer any questions or concerns our members have.

As promised the highlights of Budget & Planning that was held January 15th, 2022 in Albuquerque, NM is posted to the website and Region Directors should be sending that out along with the approved 2022 Budget, amended Bylaws that reflect the change in dues for student members and finally the 2022 Strategic Plan! These can be found at addc.org under the News & Publications tab.

Evelyn Green, Membership Chair, will be creating guidance to assist clubs in bringing in Student members to our clubs. If you are needing further information or guidance don't hesitate to reach out to Evelyn or myself directly.

Please look closely at the proposed budget, if you have any questions, comments or concerns please don't hesitate to contact myself or any board member. With the continued decline in membership it becomes more important to work together to make sure that we are not only continuing our due diligence but that we are also good financial stewards of the association, we are continually working on ways to lower costs for the association so that it can remain in good standing and remain financially sound.

The strategic plan was built on ideas to help this association grow and remain strong! We will be working towards these goals that the association, regions and clubs can utilize.

Prayers and Blessings!

Philana
