March 2022

Letter 3

Dear Westbank Members,

Welcome to March! This could be my favorite month of the year – the weather is right in between winter and summer. I think we never really have a true spring, do we? In our local area, one thing that March brings is Lent. Many of our members are giving up one thing until Good Friday. Please don't let your activity or participation with D&D be one of those things.

I'm looking forward to hearing from Randy Miller, our guest speaker this month. He will share information on an oil discovery in England that had a major impact on the world.

The Southeast Region Meeting, hosted by the Lafayette Club, will be held at the DoubleTree by Hilton in Lafayette on April 21-25. Registration packets were emailed to all of our members. And, we already have 6-8 members planning to attend. It will be nice to see our regional D&D friends in person after the past couple of years of cancellations.

We'll meet for our membership meeting at the Red Maple Restaurant again this month. Elaine will send the meeting notice out and get our meal choices. Guests are welcome to attend (must buy a meal) – just send the names of your guests to Susan Miller by March 15 so they can be approved at the March 16 Board meeting. And, let Elaine know so she can order their meal, too.

Let's get out and enjoy some of this fantastic March weather and remember to - Stay happy! Stay well! Stay safe!

Judi Adams

DESK & DERRICK CLUB OF THE WESTBANK
MEMBERSHIP MEETING MINUTES
February 23, 2022

President Judi Adams welcomed everyone to the February 2022 meeting of the Desk and Derrick Club of the Westbank, at the Red Maple Restaurant and called the meeting to order at 5:55 p.m. A quorum was present.

Judy Guillot led the invocation and pledge of allegiance

Following dinner, Angie Duplessis introduced the video on Appomattox, First Oil Production.
President Adams:

- mentioned our members who are facing health and personal challenges and asked that we keep them in our thoughts and prayers.
- Reported that January meeting minutes were printed in bulletin; there were no corrections so they will be filed as written
- reported that monthly letters for ADDC President Philana Thompson and SE Director Kathy Martin are in the bulletin
- reported 2022 ADDC Convention in Pittsburgh, PA on September 21-25
- reported Lafayette Club will email Region Meeting registration packets soon

Correspondence report: Angie Duplessis reported Glenda Gaither has sent birthday, thinking of you, and get well cards as needed.

Treasurer report: Pam Lauckner, Treasurer

Angie Duplessis presented the January treasurer's report; there were no corrections. The report will be filed for audit. Susan Miller volunteered to audit the 2021 books.

Committee reports:

Bulletin: Judi Adams reported the January bulletin has been posted and link e-mailed to members, ADDC President, and Southeast RD. Bulletin deadline March 1st.

Finance: Judi Adams reported that Finance Committee will change ticket sales process - \$1/1 ticket or \$5/6 tickets – effective at the March meeting.

General Arrangements: Elaine Lesnak reported that we had 15 members and one guest in attendance.

Membership/Orientation: Susan Miller reported that membership is 33 and deadline for new members/guests to be approved by the Board is 3/16/22.

Program/ IAN: Angie Duplessis reported on approved speakers.

Community Relations: Angie Duplessis reported that Community Service Projects approved for 2022 are St. Joseph Apartments, Cards for Soldiers, and Toys for C.A.R.E.

Linda Belsome won \$38 with 50/50 drawing.

There being no further business, the meeting was adjourned at 7:19 p.m.

What's happening with the Westbank Club?

Secretary—Theresa Adams

The meeting minutes are printed in the bulletin on page 5. If there are any corrections, please let me know.

Treasurer—Pam Lauckner

The members approved the January treasurer report; it will be filed for audit. Susan Miller has volunteered to audit the 2021 treasurer's books.

General Arrangements—Elaine Lesnak, Chairman

Elaine will send out the notice for our March 23rd meeting. We'll be back at the Red Maple Restaurant. We had 15 members and one guest at the February meeting.

Membership—Susan Miller, Chairman

Be sure to notify Susan by March 15th to get any new members or guests approved at the March 16th Board meeting. Our meetings are open to guests with approval. We could end up with new members!

Scholarship—Bonnie Wall

BUNCO is scheduled for August 6, 2022. The committee will have sign-up sheets for donations at the next few meetings.

Community Service—Angie Duplessis

We have three projects for the year:

St. Joseph Apartments—Easter, Thanksgiving, and Christmas

Cards for Soldiers—throughout the year

Toys for C.A.R.E.—providing new, unwrapped toys to a local program benefiting Plaquemines families. (December)

Look for flyers in the bulletin throughout the year.

APPOMATTOX—Tapping Into Oil Over 30,000 Feet Deep

February Video Recap—by Judi Adams

Okay, I'll admit that I messed up—I planned to show the Appomattox platform on its journey from Korea to Texas under threat of a super typhoon. But, we got this one instead. It was very interesting—and provided a bit of nostalgia. I worked with Deepwater Exploration in Houston in 2010 when the Appomattox wildcat discovery was made. It was a very exciting time for Shell in the GoM and it is so rewarding to see the process of bringing it on production. It was also nice to see a few of the folks I had worked with back then and some that I worked with in Production before I retired.

So, what did it take to get this platform producing oil? It took 2-3 years from discovery to actual decision to proceed with investing in the discovery and commissioning the platform. It took over seven years and 15 million man-hours to build the largest platform Shell has ever built. And it took a crew of more than 400 spread out over four vessels to get to “first oil.”

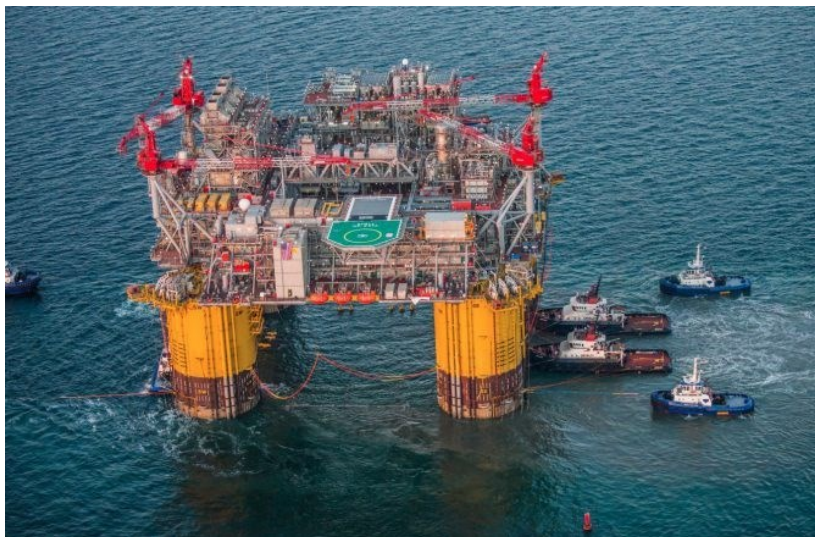

Engineers on the Balder construction vessel were overseeing the final welding and laying of pipeline to successfully hook up with Appomattox with less than half a millimeter leeway for the fit-up. After four years of engineering design, it all came down to half a millimeter.

This was a first for the team—a 200,000 pound tree system was almost double size of any other Shell used previously. And, it must all be done safely—always SAFELY!

Using a giant crane and ROV, the team guided the tree 1 1/2 miles down; the process took about 24 hours. With laser-like precision, the team lands perfectly on the narrow target, only 1/2” wide.

Once the subsea systems are in place, the Balder, which rivals the size of Appomattox, begins the handover of the final pipeline to the Appomattox. This riser transfer requires the four vessels to perform perfectly in synchronization on the water. All goes well in this intricate process requiring many steps. The well opened and was flowing; everything worked well topsides. The reaction of high fives, handshakes, and maybe a few hugs and tears was a mixture of relief and responsibility.

Like the narrator who was onboard during this process, I got goosebumps watching the video knowing that I played a small part in Appomattox (supporting the Norphlet Team during the exploration process).

The Desk and Derrick Club of the Westbank will be collecting items for the residents at the St. Joseph Apartments in Gretna at the March meeting.

This year, Susan is focusing on three main collections and distributions: Easter, Thanksgiving, and Christmas

Help fill “Easter Baskets” for these elderly residents. Things they always need are men’s/ladies’ socks, books, combs, brushes, shower caps, tissues, travel soaps, shampoo, conditioners, pens, stationery, and games. They really appreciate getting single-serving microwave items, like macaroni and cheese, rice-a-roni, oatmeal, and grits.

The residents of the St. Joseph Apartments will appreciate it.

March, 2022

To the wonderful members of the Southeast Region,

Top of the Morning to Ya! As of this writing, March is coming at us like a freight train meaning the first quarter of 2022 is nearing an end! Wow, it truly is amazing how much time flies when you are having FUN!

Speaking of fun, the 2022 Budget & Planning Meeting at the Sandia Resort & Casino in Albuquerque, NM has come and gone, but the memories will last a lifetime! For those of you who have had the privilege of attending a B&P meeting, you understand! The weekend is a whirlwind of activity, arriving on Friday, meeting beginning Saturday morning by 8:00AM and working well into the evening (took work with us to dinner and didn't finish everything until 9:00PM). Your Board worked hard on all things Desk and Derrick and have a lot to share with you at Convention in Pittsburgh, PA!

The experience alone was incredible, but man oh man, the venue was SUPERB! So excited to share with you that the 2023 Convention will be held at the same venue and boy, are ya'll in for a TREAT! So make your plans now to attend the 2023 Convention at the Sandia Resort & Casino, you won't be disappointed!

Plans for the 2022 Southeast Region Meeting are well underway and approaching the final stage for a "Festival" you won't want to miss! Everything from Food Tours (anyone who has been in our area knows the food is usually a main attraction...LOL) to our own "Festival" on Friday Night, is being planned to ensure a great time is had by all! The registration package should be out by the end of February, so make sure your suitcase is packed and your dancing shoes are ready to come pass a good time April 21-24, 2022 at the Doubletree Hotel in Lafayette, LA.

"There are only two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle." — *Albert Einstein*

March, 2022

As we move full steam ahead into March we are getting closer to the regional meetings! I have booked my flights and plan to attend 3 of the 4 regional meetings in person. Northeast plans to host a virtual region meeting for 2022, which I plan to attend virtually. I look forward to visiting with members in each of these regions and will be happy to answer any questions or concerns our members have.

As promised the highlights of Budget & Planning that was held January 15th, 2022 in Albuquerque, NM is posted to the website and Region Directors should be sending that out along with the approved 2022 Budget, amended Bylaws that reflect the change in dues for student members and finally the 2022 Strategic Plan! These can be found at addc.org under the News & Publications tab.

Evelyn Green, Membership Chair, will be creating guidance to assist clubs in bringing in Student members to our clubs. If you are needing further information or guidance don't hesitate to reach out to Evelyn or myself directly.

Please look closely at the proposed budget, if you have any questions, comments or concerns please don't hesitate to contact myself or any board member. With the continued decline in membership it becomes more important to work together to make sure that we are not only continuing our due diligence but that we are also good financial stewards of the association, we are continually working on ways to lower costs for the association so that it can remain in good standing and remain financially sound.

The strategic plan was built on ideas to help this association grow and remain strong! We will be working towards these goals that the association, regions and clubs can utilize.

Prayers and Blessings!

Philana

Association of **DESK** and **DERRICK** Clubs

Dear Association of Desk and Derrick Supporter:

RE: Sponsorship Opportunities for the 2022 ADDC Convention & Educational Conference

The Three Rivers Desk and Derrick Club along with all clubs from the Northeast Region is proudly hosting the 2022 ADDC Convention & Educational Conference in Washington, Pennsylvania, September 21-24, 2022. In addition to the business meetings, we have educational field trips, certification classes, & a symposium planned.

The Association of Desk and Derrick Clubs (ADDC) is an international educational organization with clubs and members across the United States and Canada. The purpose of the ADDC is “To promote the education and professional development of individuals employed in or affiliated with the petroleum, energy and allied industries.” The Association’s motto is “Greater Knowledge – Greater Service.”

We would like to invite you to consider this sponsorship opportunity. The attached donation form offers options to support the 2022 ADDC Convention & Educational Conference at several different levels. All sponsors will be recognized in the meeting program. We ask that your donations be mailed by April 30, 2022. I can be contacted either by phone 724-873-3259 or email pjacobs@rangeresources.com if you have any questions.

The Association of Desk and Derrick Club qualifies as a non-profit organization under IRS Code 501 (c)(6). Contributions or gifts may be deductible as a trade or business expense, rather than a charitable donation.

Thank you for supporting 2022 ADDC Convention & Educational Conference

Sincerely,

Penny J. Jacobs
General Arrangements Chair

Louisiana Commits Nearly \$1.3B to Coastal Restoration, Protection Projects

The Louisiana Coastal Protection and Restoration Authority has released its Draft Fiscal Year 2023 Coastal Annual Plan, the annual spending plan for the state's coastal program. The plan guides funding to implement the 2017 Coastal Master Plan, the 50-year vision for priority coastal restoration and risk-reduction projects to restore and protect Louisiana's coast.

In response to the draft release, Restore the Mississippi River Delta – a coalition of national and local conservation groups working together to address Louisiana's land loss crisis comprised of Environmental Defense Fund, National Audubon Society, the National Wildlife Federation, Pontchartrain Conservancy and the Coalition to Restore Coastal Louisiana – released the following statement from Campaign Director Simone Maloz:

“Today's announcement marks a turning point in Louisiana's coastal program, as the state has committed to invest over \$1 billion next year to restore and protect its coast. This investment follows one of the more devastating hurricane seasons in Louisiana's history. With so many communities still rebuilding from recent storms, the urgency and importance of restoring wetlands and protecting vulnerable communities cannot be overstated.

“This Annual Plan, combined with the over \$2.5 billion also announced for Louisiana from the bipartisan Infrastructure Investment and Jobs Act led by Sen. Cassidy, means Louisiana is poised to make significant investments to achieve a safer, more equitable and climate-resilient future for its people, wildlife and economy.”

The plan includes strategies to advance several key coastal restoration projects that will benefit over 57,000 acres of vulnerable wetlands and 109 miles of levee. Key projects advancing through the plan include the River Reintroduction into Maurepas Swamp, the Mid-Barataria Sediment Diversion, the Golden Triangle Marsh Creation project, the West Shore Lake Pontchartrain risk reduction project and the Houma Navigation Canal Lock Complex project.

The state of Louisiana intends to spend \$1.28 billion on a total of 114 Coastal Master Plan projects. This will be the largest single-year funding commitment for the coastal program to date.

This dedication of funding reflects the nearly universal belief of Louisiana voters that the state should prioritize confronting its coastal land loss crisis. An overwhelming 97% of voters along Louisiana's coast agree that state officials should work to maintain as much of the coast as possible and 70% of voters believe stronger hurricanes and increased coastal flooding are already having an impact on themselves and their families.
