CLUB PRESIDENT LETTER

MAY

GROWING 2GETHER

Happy May!

Hope this letter finds everyone well!

I am just going to jump straight in...

The annual Black Gold Golf Tournament was a HUGE success! Melissa Mulloy and Amanda Espinosa knocked it out of the park with this one. I was lucky enough to be able to attend the full day and I overheard numerous times about how great this tournament is and how much fun everyone was having. Melissa and Amanda, you both are amazing club members. I know planning every detail is stressful and time consuming but without the both of you, this event would not be the success it has been the past two years. THANK YOU! While we do not have final numbers of what the tournament made for our scholarship, I am confident we are all going to be shocked! Also, thank you to the club members who volunteered, got their companies to donate, sponsor, and play!

Now it is time to switch our focus to the API Golf Tournament coming up Friday, May 6th and Saturday, May 7th at Hogan Park! Our club will have a booth close to hole 16 on the Road Runner course. We will have a Yeti Cooler full of alcohol and be selling chances to win both the cooler and alcohol. Rose Anna Richardson and Becky Wisdom are heading this event and they need your help! If you would like to donate alcohol or come out and volunteer, please reach out to Rose Anna or Becky! Roseanna.richardson@roberthalf.com or becky@membersffcu.org.

Also, going on is the West Region meeting being held in Amarillo, Texas! The meeting is taking place Thursday, May 5th through Sunday, May 8th. Our own Kuohui Suchecki and Ingrid Burton will be attending on behalf of the Midland Club. Kuohui will be our club delegate. We are looking forward to hearing all about the meeting! Thank you for representing our club!

Finally, Thursday, May 11th will be our monthly club meeting at Ranchland. The speaker this month will be Dr. Michelle Harmon. Dr. Harmon is a Management Lecturer in the College of Business at UTPB and the owner of Michele Harmon LLC. I am looking forward to seeing everyone at the May meeting!

I think that wraps it up! I hope you all have a great month and I hope to see you at one of the above events along the way. If you have any questions or ideas, feel free to reach out to me at marnee.lane@roberthalf.com or on my cell phone at 817-300-3955.

Cheers!

Marnee

MONTHLY PROGRAM ARTICLE

April Program

Written by Ingrid Burton

Speaker: Speaker: Angelica Harris

Title: Human Trafficking

Reflection Ministries was established by Angelica Harris with the desire to empower adults who have been coerced into a life of commercial, sexual exploitation. The mission is to “Identify victims, Equip cities, and provide avenues of Restoration for human trafficking victims.” It provides avenues of restoration beginning at the crisis entry level with aftercare programs covering up to four years and also working closely with other front-line organizations and second stage homes to provide continued restorative programs to survivors.

There were some surprising facts shared by Angelica. One being human trafficking is \$150 billion industry, which is double that of Amazon. Another is our great state of Texas ranks #2 in the country for human trafficking.

Angelica educated us on the many different faces of human trafficking. The facts were quite shocking as far as the victims, as well as the traffickers. These facts included the many ways adults as well as very young children were tricked or coerced into the role of the victim. They also included the surprising facts of who most traffickers are. She also gave us a few pointers on how we could identify victims.

COMMITTEE REPORT

BLACK GOLD GOLF TOURNAMENT

The 28th Annual Black Gold Golf Tournament was held on Tuesday, April 26th at Ranchland Hills Golf Course. Our morning and afternoon flights accounted for a total of 84 teams (168 players). The tournament event sponsor was FESCO and they cooked our hamburger lunch and volunteered wherever we needed them. Razor Services served delicious gumbo and US Energy Services provided Bloody Mary's & Screwdrivers.

Hole One started off with Charity Golf giving teams the option to donate and play a long drive hit from a professional long driver Mike Dobbys. Hole Three, sponsored by BJ Field Services, was a chance to win \$15K cash to the player who could make a hole-in-one and Hole Eight, sponsored by Shelley Rogers, was a hole-in-one chance for a golf trip to Lajitas.

We had numerous tee box sponsors and outside volunteers to help make this event a success for the club.

PROS AND CONS SOLAR

energy4me.org

Solar energy is the radiant energy (light or heat) that comes from the sun. Only a small amount of the sun's energy strikes the Earth, one part per two million. However, even that one part is an enormous amount of energy.

PROS:

- Non-polluting
- Most abundant energy source available
- Systems last 15-30 years
- Renewable and sustainable
- Power remote areas
- Low maintenance and silent

CONS:

- High initial investment
- Supplemental energy may be needed in low sunlight areas
- Requires large physical space for PV cell panels
- Limited availability of polysilicon for panels
- Expensive storage

ENVIRONMENTAL IMPACT:

Solar energy produces no air or water pollution or greenhouse gases. However, it has some indirect impacts on the environment. For example, the manufacturing of photovoltaic cells (PV) produces some toxic materials and chemicals.

Solar systems can also affect ecosystems. Water from underground wells may be required to clean concentrators and receivers, and to cool the generator, which may harm the ecosystem in dry climates.

Although solar panel recycling has not become a major issue, it will in the coming decades as solar panels need to be replaced. When solar panels break, it is possible they may leak chemicals which are sealed in a functional module. If solar panels are not disposed of properly, chemical leaking may be a more widespread issue. These issues are worse in poorer countries that don't have as robust of recycling infrastructure.

May 3, 2022

Hello best Region of ADDC Club Members!!!! I cannot believe how fast time flies! It is already May and time for West Region Meeting! I am excited!

I do have a confession – when I was a club member, I never read the ADDC Board letters. It was not until I became Bulletin Committee Chairman that I began to read them. I found that it is indeed important to read the Region Director Letter and the ADDC President Letter. As I am writing this month's letter, I wonder how many club members will be reading it. So, to get an idea, I decided to give a little surprise to the first member from each Club who messages me that they have read my letter. I will give the surprise to the Club President at West Region Meeting to deliver to you.

A note to Members:

- There are positions available for West Region Committee - consider volunteering; it was easier than you think, and you will have lots of support.

A note to Club Presidents:

- There are several Bylaws are due for review – this will be discussed further at the Presidents' Meeting at West Region Meeting this weekend.

Hoping this month is positively aMAYzing for you!

May 2022

I have just made it home from my second regional visit. At Budget & Planning this year I asked if I could change what my president's gift could be along with reducing the cost of the president gift. One of the intentions was to apply those funds towards the regional visits. With our last regionals and convention being held in 2019 we felt it was important for the president to visit the regions and visit with members who may not be able to attend the convention. I wanted to hear the questions, suggestions, ideas and also to share what the board was doing to help our association when it came to membership retention, gaining new members and of course education.

I was able to meet with the members of Southeast & Central and not only was the hospitality fantastic, the suggestions and ideas on how we continue to move forward were invaluable.

This week I will be visiting my own West Region meeting, with a virtual visit with the Northeast Region to follow two weeks after!

Some resources I would like to share after attending these first two region meetings:

1. Did you know that you can submit your club bulletins to the ADDC President, and they will have them posted to our website? This is a great resource for gathering ideas on how other clubs are engaging members! <https://addc.org/club-bulletins-news/>
2. Did you know that the region reports for the committees are posted to our website? This year's strategic plan focuses on member retention, gaining members and education opportunities, and your committees are playing a key role in working for a stronger future. <https://addc.org/region-meeting-reports/>

We are working hard updating the website, we had some broken links, and each committee has been tasked with reviewing their areas on the website and letting us know what needs to be fixed. If you find any broken or missing links do not hesitate to reach out to me and let me know they are needing to be updated.

In closing, do not forget that your TAXE1 and 990 forms are due for your Regions and US Clubs before May 15, 2022. Please send your confirmation and filing to Shelly Hildebrant at shellyhildebrant@hotmail.com.

Thank you,
Philana Thompson
