December 2022

Dear Members,

Happy December!!! I hope that you and your family had a wonderful Thanksgiving.

The hustle and bustle of this holiday season is finely here! I know that this is the time of year you plan on spending with your family and friends. Just remember that Christmas is just around the corner, and to please help those who are less fortunate.

I just realized this will be my last letter as your President! I have enjoyed serving as your Club President for the last two years and I thank you all for your help and support!! Our Club is very blessed to have such dedicated members. I love this organization and hope to see it get stronger! Congratulations to the 2023 board and I know Bonnie will do a great job with her leadership!!!

Our joint board meeting will be on December 11<sup>th</sup> at 3PM. It will take place at my house, 1166 E. Kings Highway, Shreveport, LA 71105. All are invited. We have a great evening planned and I hope you can join us. We will also have a Secret Santa Gift Exchange. Please do not spend more than \$20.00 on the gift.

We will be installing the 2023 Red River Board of Directors on December 13<sup>th</sup>, at the Petroleum Club. I hope you can be there for this wonderful evening.

The membership forms are going out so please be sure to fill out or change any information you need to and mail back to the Red River Club. Please do not mail to ADO or it will be returned. I would love to see Red River get 100% renewals!!!

Merry Christmas and Happy New Year to you ALL!!

Love,

*Malissa Carroll*

### **OUR MISSION**

“To enhance and foster a positive image to the global community by promoting the contribution of the petroleum, energy and allied industries through education by using all resources available

### **OUR PURPOSE**

The Association of Desk and Derrick Clubs (ADDC) is a non-profit, international organization. Its purpose is to promote the educational and professional development of individuals employed in or affiliated with the petroleum, energy, and allied industries and to educate the general public about these industries

**Board of Directors**

December 2022

**PRESIDENT**

Philana Thompson  
 Merrion Oil & Gas Corporation

As I begin to wind down my year as President of ADDC I am reflecting on what the board was able to accomplish, the things that are still in progress and what we were not able to address in what seems like a very short year!

**PRESIDENT ELECT**

Barbara Pappas  
 Cobra Oil & Gas Corp

The time flew by faster than I could keep up! With the world seeming to start spinning faster coming out of two years of pandemics, natural disasters, and our industry’s roller coaster, trying to catch up on things that were put on the back burner plus the current processes was not an easy task for this organization to stay ahead of! BUT I can tell you this 2022 board did a fabulous job of tackling some hard tasks and trying to see this organization into the future.

**TREASURER**

Reading some of the responses to the survey, majority of the folks in this organization are not ready to give up! They see the value of ADDC and what it stands for, we simply must figure out innovative ways to provide what our purpose is, which is a “premier provider of energy education and professional development”. We will never see those days of 5000+ members, but times have changed, and this organization should adapt to that change!

**IMMEDIATE PAST**

**PRESIDENT**  
 Evelyn Green  
 GBC Minerals, Ltd

The survey is still open to those who did not have the opportunity to take it, please take 5 minutes of your time and provide your honest feedback! Your 2023 board will be looking at your responses and how we can help the association into the future!

I personally have many goals and tasks to continue to work on in 2023 and beyond for ADDC. For anything to “get better, grow, or adapt continuous process improvement is a major factor, and I am not done!

**NORTHEAST REGION**

**DIRECTOR**  
 Samuel Thomas

I want to thank the 2022 Board of Directors, Club presidents, committee representatives and members for providing honest feedback, guidance, and support throughout this year! I also want to provide a special thank you to Nell Lindenmeyer, Linda Rodgers and of course the Farmington Club for your support and love during not only this year but my entire journey thus far!! God always has a plan and this path he sent me on has helped me grow not only in my career but my personal life as well!!

To the wonderful members of the Southeast Region,

**Merry Christmas and Happy New Year!!**

The end of 2022 is a bit bittersweet as this will be my last letter to you as your Southeast Region Director. I would like to take this opportunity to express a MASSIVE THANK YOU to YOU, the members of the Southeast Region, for entrusting me with this honor - it has been a very rewarding and enlightening experience!

To the phenomenal 2022 Presidents of the Southeast Region: Angie Corvers, Baton Rouge Club; Dorothy Jordan, Corpus Christi Club; Connie Gibson (Connie G), El Dorado Club; Jennifer Accardo, Lafayette Club; Charlotte Ratcliff, Morgan City Club; Dianne Badeaux, New Orleans Club; Missy Carroll, Red River Club; Kathy Johnson, San Antonio Club; Cindy Miller, Victoria Club and Judi Adams, Westbank Club - you ladies ROCK and have truly made the experience easier than expected! Your leadership has been a shining beacon and my prayers for your successors to be the same for Susan Miller, 2023 Southeast Region Director Elect!!

Speaking of your 2023 Board, hopefully all of you have elected or are in the process of electing your club 2023 Board. I am looking forward to installing the 2023 Board for Baton Rouge, New Orleans and Westbank in the coming weeks. Please remember to submit your "New Club Officers" form (ADO form 31) and distribute the original to ADO, 5014 FM 1500, Paris, TX 75460, email: ado@addc.org; one copy to Susan Miller, 2023 Southeast Regional Director-Elect (with an email copy to me please) and retain one copy for your club records.

Please take notice that the submission method for AIMEE entries is changing. Effective immediately, all submissions will be ELECTRONIC and will no longer require hard copies or mailings. Your President received an email on the changes as well as the NEW DEADLINE OF JANUARY 1, 2023. While we understand this is short notice for this year's submissions, we certainly hope the elimination of mailings will ease the burden and encourage every club to enter!!

There are a few opportunities remaining for 2023 Chairmen/Region Reps on several ADDC Committees! If you are interested, please get with Susan Miller, who is working diligently on getting all positions filled!

Thank you all for your support,

*Kathy Martin*
