PRESIDENT'S LETTER **AUGUST 2023**

Members,

It's August already, and school is in session again. Drive safely and remain alert for children when in school zones. Next month, Dorothy, Missy and I will be heading to Albuquerque for the annual ADDC Convention. There's still time to register. Please give serious thought to attending. We always learn a lot and make many new friends at these events.

Those who were unable to attend the July meeting missed an excellent and informative program. Thank you to Phillip Semon for his presentation regarding Masonic membership and the US Presidents who were members. I heard several members say they learned more from Phillip's presentation than they did from history classes in school!

As mentioned at our July meeting, we have extended our community service project of collecting school supplies for a school in this area through the August meeting. If you were unable to attend the July meeting and wish to participate, please bring any contributions you might wish to our next meeting. A huge thank you to those who brought supplies to the July meeting. The collection was exceptional, and I know the school and students greatly appreciate your generosity. The very best thing we can all invest in is the education of our children.

For those who were unable to attend the July meeting, please note that the membership has voted to make our silent auction which is held in September an annual event. If circumstances change in the future and we are able to develop a Bunko Night, we will consider doing so.

Dorothy is working diligently to develop a slate of officers for 2024, and I know she would love to hear from any volunteers. Please consider serving your club in a board/officer capacity.

Margie is hard at work developing a theme for this year's Essay Contest and has some great ideas, and Dorothy has flyers for our October golf tournament ready for distribution. Please contact her for copies and share them with employers and friends.

Secrets of Masonry and Presidents Who Were Masons
Presented by
Phillip R. Semon
Master of Sunset Lodge

Our speaker, Phillip Semon, was well versed and quite candid about the ways and means of Masonry. He has been a Mason since 1963 and has served in most all of the stations of the Masonic Lodge, having served as the Worshipful Master of Southern Hills Lodge (1976) and is currently the Worshipful Master of Sunset Lodge. His topic was “Masonic Secrecy” and “Presidents Who Were Masons”.

Masonry is the oldest fraternity, dating back to the days of King Solomon. It is rich in history and is based on scriptures. The stigma of “a secret society” is unfounded because the only secret is the exoteric teaching used which is verbally passed down from one man to another. Masonry is a “system of Morality veiled in allegory and illustrated in symbols.” The only things secret in Masonry are the modes of recognition, just like any other fraternity, sorority or other private organizations. Their goal is to make a good man a better man.

There were fourteen of the forty-six United States Presidents who were Masons. They were George Washington, James Monroe, Andrew Jackson, James K. Polk, James Buchanan, Andrew Johnson, James Garfield, William McKinley, Theodore Roosevelt, William Howard Taft, Warren G. Harding, Franklin D. Roosevelt, Harry S. Truman, and Gerald Ford. Phillip shared a few remarks about each one.

The presentation was followed by questions asked and answered. Everyone enjoyed this educational talk.

RED RIVER DESK & DERRICK CLUB
JULY MEMBERSHIP MEETING MINUTES

JULY 25, 2023

The meeting was called to order at 6:34 pm by Bonnie Fish, President. It was noted by Dorothy Semon that a quorum was present.

Minutes from the previous month's meeting were emailed prior to the meeting. Secretary Susie Baird Guyer asked if there were any corrections and there were none. Margie Steed made a motion to accept the minutes as presented, Arlys Milan seconded. A unanimous vote passed the minutes as presented.

Secretary Susie Baird Guyer presented 3 "Thank You" notes: from Virginia Calhoun on behalf of the donation to ADDC Foundation in her mother's memory; from ADDC Education Trust on behalf of the donation made in honor of Mrs. Jo Ann Brown; from ADDC Foundation in honor of speakers and in memory of Mrs. Linda Webster.

Dorothy Semon, Treasurer, emailed the treasurer's report to membership on July 12th. Per discussion there were no corrections. Therefore the Treasurer's Report will be filed for audit.

Our program for the meeting earlier was The Masons – Secrets and Presidents. It was presented by Phillip Semon, husband of Dorothy Semon and 33rd Degree Mason. A speaker for the August meeting is still to be determined. The August meeting will be held August 22, 2023

Per membership chairman Sheryl Cole, our membership total still stands at 25.

The 50/50 drawing was held, and the winner was Susie Baird Guyer. (Thanks D&D!) The total tickets sold were \$63, so I got \$31.

We held our community project to gather school supplies for local children. Our club collected supplies as published on local websites. We will do the same at our August meeting. Then all supplies will be delivered to chosen schools.

Margie Steed updated the members on the *tentative* topic for the upcoming essay contest. At this point the topic will be, Why is Oil & Gas Important to Me? That topic may change with confirmation from the speaker and what their topic of presentation will be.

Dorothy Semon reported that registration and correspondence for the October 12th Red River Invitational golf tournament is getting off to a slow start. "Please send those flyers out."

New Business: A vote was presented to the membership to make the Silent Auction and annual fundraiser event. Discussion was held and we realize that the Bunco is so hard to find a venue for. We hope to continue on with Bunco in the future, but not as an annual event at this time. Sheryl Cole made a motion to adopt Silent Auction as an annual fundraiser event to be held each fall, and Susie Baird Guyer seconded the motion. Motion passed with a unanimous "aye" vote.

The ADDC Convention will be held September 20-24 in Albuquerque, NM. Margie Steed made a motion to send Bonnie Fish as Delegate, Instructed but Uninformed, and to send Dorothy Semon as Alternate. The motion was seconded by Bobbie Trust. Motion carried with unanimous "aye" votes.

Sabrina Guillory reported reservations were 13 members, 1 speaker and 3 advisors. Those in attendance were 11 members, 2 advisors and 1 speaker, a total of 14.

There being no other business, the meeting was adjourned at 6:49 pm.

Respectfully submitted,

Susie Baird Guyer

RED RIVER CLUB REQUESTS

August 1, 2023

Dear Members,

It is time once again to select officers for next year. If you are currently serving in a capacity on the Board and want to continue in that position, please let me know. If you are not currently serving on the Board and wish to do so, please let me know that as well. We have a volunteer for President already, but we need Vice President, Secretary, Treasurer, and three Directors. I have already had one volunteer for that position as well. Missy Carroll will remain as Immediate Past President for 2024.

Please feel free to call or text me, 318-458-5044, or email me at dsemon1@comcast.net. We need your help to keep our club alive.

Thank you,

Dorothy.

August 2023

To: ADDC Membership

We have officially closed the door on the first half of the year! The Public Relations committee wrapped up the nominations for the DSA and SSA and I am excited to see who the recipients will be this year! The Nominating committee finished their search for our 2024 Association officers and the Regional Directors have emailed all club presidents with the slate of candidates for next year. Remember, nominations can come from the floor during our business session. The Rules committee sent out their letter, Rules of Convention, and a motion form to club presidents to disperse to the membership. These items can also be found on the website.

Everyone should have received the registration packet for the 2023 ADDC International Convention and Educational Conference in Albuquerque, New Mexico. Registration packets can also be found on the ADDC website, www.addc.org (News & Publications/"ADDCC News") and also can be found under the "Convention" link. Do NOT wait to send your registration in because the field trips have a limited number and you do not want to miss out on the field trip you want to participate in.

Registration Fee: \$250.00 for members (by August 28, 2023)

Late Registration Fee: \$275.00 for members (after August 28, 2023)

Hotel Reservations: 505-796-7500 or via the website:

<https://gettaroom.b4checkin.com/sandia/RLP/DESKANDDERRICKCLUBS>

Reservation Code: 9890 or mention ADDC

(All rooms are \$194.00 + tax for single, double, triple, or quad. Please make your reservations as soon as possible. The deadline for reservations is August 31, 2023.)

This past month the ADDC Board approved items in our monthly board meeting I would like to share with you:

- In order to streamline the financial reporting the ADDC Treasurer and the ADO perform each month, instead of two companies (Operations and Convention), the financial reporting will be one company (ADDCC) with four separate accounts (Operations Checking, Operations Money Market, Convention Checking, and Convention Money Market).
- The Board also approved the addition of a "Donate" button on the main page of the ADDC website. This will allow supporters to donate online and can choose who they want to donate to, whether it is a regional meeting or convention.

- Another item of business is allowing Convention registration and payment to be online via the main page of our website to members and guests. *I will note, it will take a little time to get the online donations and Convention registrations set up on the website. I will let you know when we are up and running!*
- We also passed a motion to upload educational and training videos from outside sources. You will be able to login to the website and click on links to the videos. If you find a video you would like to share, please send the link to me.
- There is one more item the Board approved this past month. ADDC will start issuing membership ID numbers and cards again, this was stopped in 2019 due to the database being corrupted. You will be getting a new membership ID number. It has also been a few years since we had an ADDC membership handbook. I am currently working on updating this and hope to have it finished the first week of August. It will be uploaded onto the website for clubs to print off and give to new members.

I hope everyone will be able to make good use of the ADDC Business Card template that was recently sent out and can be found on the website. How did you like getting a direct email from the ADDC President? It was our first try at sending out a mass email to the membership. There will be more to come in the near future! If you did not get my email, please go to our website and update your contact information.

There are a few more items the Board would like to accomplish this year so we are working towards those goals. Please know the Board is listening to you, the membership. I have always said, everyone has a voice and everyone has a vote. I urge you to continue contacting your regional director or an ADDC board member with ideas to improve our organization!

In closing, the 2022 financials are being reviewed and we are getting closer to sending these to membership. The first quarter of 2023 financials are complete and are waiting on 2022 financials to be closed out before they are sent to membership. The 2023 Financial Review Committee is currently working on reviewing the second quarter of the 2023 financials. Our current membership number is 596. My goal is 650, so it is a little short. It would be nice if we could get 54 new members/prior members to join ADDC. There is still time left in the year and I am not giving up!
