None			
General Information Items			
<p>1. The committee shall review and discuss possible new additions, revisions, and corrections to the website, including but not limited to, layout, educational links, webinars, industry links, etc. This continues to be an ongoing process. Changes are made as they are reported. I would suggest for 2024 the focus move to adding more content to both the front and back side of the webpage.</p> <p>2. Establish a Linked-In connection / YouTube for the Association. I have reached out to Keith & Christina to attempt to gain access to YouTube and ADDC Facebook. Keith confirmed these were created by Maggie. Christina commented that she had given me a folder at convention with these passwords, I assume 2019, but I was not the technology chair at that time and no folder was provided to me. It is my suggestion that new YouTube and Facebook be created. Because we are not the original account holders, neither of these entities will grant us access without Maggie's approval.</p> <p>Committee Reps: Chair~Philana Thompson, NE~Ed Dallenbauch, Central~ Wendy Sparks, SE~ Sue Weaver</p>
