### RED RIVER DESK & DERRICK CLUB 2024 FEBRUARY PRESIDENT'S LETTER

*I want to welcome our new members – Keith Atkins from El Dorado, Victoria Ashley from Fort Worth, and Judy Sneed. Retirement congratulations and best wishes to Laura Hatcher (member) and Jim O'Bannon, (long-time advisor and ardent supporter of our Club).*

*It's hard to believe, but here we are in February already. One month down, eleven to go. We still need volunteers for committees. I hope you will all check out the committees and give serious consideration to volunteering for one (or more) of them. None of our committees require a lot of time, but we need input from our members to make our Club the best it can possibly be. Please email me where you would like to serve.*

*If our January program was any indication of the programs we will be experiencing this year, we are in for a very informative and enjoyable year. Thank you to Susie Guyer for recommending Clinton Rasberry from Argent Minerals Management. His presentation was excellent, and very timely. Lithium Mining is a new subject to all of us, and one of which each of us should be aware.*

*Thank you to all who have renewed your membership; if you have not done so yet, please forward your membership form and payment to our treasurer, Margie Steed, as soon as possible.*

*Also, Committee chairmen, we are currently working on our 2024 budget. If you have specific requests, please let Margie know.*

*Letters and registration information for our annual Red River Clay Shoot have been sent to prospective participants, and Susie is receiving responses for both teams and sponsors. Just as a reminder, our Clay Shoot will be held Friday, March 22, 2024, at Los Palomas. Please share this with anyone you feel might be interested in entering a team. Information can be obtained from Susie Guyer, co-chairman.*

*Dates for the Southeast Region Meeting have not yet been finalized. This information will be provided to each of you as soon as it is available. Tentative dates are April 13 and April 20, and I believe it will be a zoom meeting.*

*Our first community service project for this year is coming up. We will be collecting non-perishable foods to be delivered to a local food bank in March. Additional reminders will be emailed along with suggestions of what is needed.*

*The February board meeting will be held on Tuesday, February 13, 2024 in the boardroom of the St. John Berchman Catholic School at 5:30 PM, and our monthly membership meeting will be on Tuesday, February 20, 2024, at the Petroleum Club of Shreveport, 15<sup>th</sup> floor, 416 Travis Street at 5:30 PM. I look forward to seeing all of you there!*

*Respectfully submitted,*

**Bonnie Fish**  
2024 Red River Club President

### ADDC Membership

I hope everyone is staying warm and safe. This time of year is inclement weather in most of the areas of our clubs. I think even San Antonio has seen some colder than normal temperatures!

The first order of business is getting in the membership renewals turned into ADO. It is very important to that we receive these in a timely manner. It helps immensely when planning the yearly budget. It also helps us keep an accurate count of members. Don't forget that we have student memberships as well. A few clubs have been taking advantage of this discount fee!

The ADDC Board of Directors met on Saturday, January 27, 2024, via Zoom. The budget vs actuals spreadsheet will be going out early this month. With the continued decrease in membership, it is becoming more difficult to stay in the black. We are hoping that the additions to our certification program and student memberships will help retain members and get new members. As always, we need to continue to keep up with technology and offer options to members.

Contest Chairman Philana Thompson reported that 18 Clubs submitted their contest entries by the deadline! Central (5), Northeast (3) Southeast (6), West (4). Thank you, Philana Thompson and Esther Greyeyes, who over the past year made the new electronic submission process so much easier for the clubs and judges!

March is Desk and Derrick Awareness month. Oklahoma City always has a fun game of Family Feud with questions about the industry, ADDC, Region and our club. What does your club have planned?

Please access the ADDC website as often as you can. Also, if you have any changes that need to be made to your information, you can go in and update them yourself! [www.addc.org](http://www.addc.org).
