### *APRIL 2024 PRESIDENT'S LETTER*

Dear Members,

April showers bring May flowers and all I can say is what beautiful weather, fresh green leaves, a lot of pollen and a variety of temperatures.

I truly appreciate all the members of our club who volunteered at the Clay Shoot that was held at Los Polamos on March 22, 2023.

The month of March ushered in spring along with Desk and Derrick Awareness Month and Angie Covers, our Southeast Region Director who spoke to the Members about the upcoming Region Virtual and In-Person Meeting that will be held in Baton Rouge. She also spoke about the upcoming Convention in Dallas that will take place in September.

This Month Dorothy Semon and I will head down south to Baton Rouge for the Region Meeting on April 20<sup>th</sup>. It will be held at the Library on Greenwell Springs Road.

The month of May is very special to Desk and Derrick Club, we present scholarships to well deserving students pursuing a degree in this great industry of ours. Even with a depressed industry we have been and continue to be fortunate to provide scholarship assistance to a handful of college students.

April Board Meeting – 5:30 PM, Tuesday, April 14, 2024, in the Boardroom of St. John Berchman Catholic School.

April Membership Meeting – 5:30 PM, Tuesday, April 23, 2024. The 15<sup>th</sup> Floor of the Petroleum Club of Shreveport, 416 Travis Street, Shreveport, LA.

Sincerely,

Malissa Carroll

## Desk and Derrick Awareness With Angie Corvers

March is Desk and Derrick Awareness Month and it was very fitting to have our guest speaker be none other than our Southeast Region Director, Angie Corvers. Angie was accompanied by member Darlene Dodson and we all enjoyed visiting with these two very long term members of the Desk and Derrick Club of Baton Rouge. I'd say over 50 years of membership qualifies one to speak on behalf of our organization. Angie brought a lot of information from the 2024 Budget and Planning Meeting of the Association of Desk and Derrick. Just to cover a few bits of information, approval was made to continue the use of Bank of America, ratifying CD's, annuities and insurance policies, approving the deadline to submit bylaws for review as well as approving the 2024 Operating Budget for the Association.

Approval was made and which we are thankful to have Keith Atkins volunteer as Nominating Chairman with Christina Forth and Donna Siburt assisting as nominating committee members.

Angie share information regarding our 2024 September Convention which will be located in Dallas, Texas. Field trips include traveling to Kilgore, Texas to visit the East Texas Oil Museum, lunch at the Back Porch Restaurant, then back to Kilgore College to tour the Corrosion Lab given by Dean Walker. Another field trip offered will be going to the EnLink Gas field in Bridgeport, Texas to a working well and well head that is capturing the natural gas and carbon to be sent below ground into the bedrock and sealed in a cavern. Included in this field trip is a drive to Fort Worth for lunch and off to see the Stock Yards and a Cattle drive.

A couple of seminars will be offered during Convention: A few of our past Presidents will be a part of a Leadership seminar and Cecil Duke will teach a seminar about drilling fluids being used in the different basins.

More information for the Convention as well as Region Meeting is forth coming.

Our 2024 Southeast Region Director, Angie, is married to Bill Corvers and they enjoy their son, daughter, 5 grandchildren and 2 great grandchildren. Angie retired from ExxonMobil Chemical Company in March 2007 after 37 years of employment. Angie is the owner/broker of Chess Realty, Inc. and a commissioned Notary Public.

## Thoughts from the Editor - "Changes"

For those of you who don't know my mother passed away in November of last year, as with a passing there are things to do: plan a funeral, file a succession, decide on action of her home and belongings, let's not forget the boxes and boxes of paperwork. I'll admit it has been a bit overwhelming at times, so what do I do? I grab a box that had been in storage since 2006ish that belonged to my grandmother, no paperwork to speak of - just photos of my grandfather as potentate of the El Karubah Shrine Club in 1963. The history! A parade on Texas Street in downtown Shreveport, how the sights and the automobiles have changed! I did however find an interesting press release for July 9, 1959 (we believe).

Atlantic City - Dr. Frank A Court of Lincoln, Nebraska, was appointed Imperial Chaplain of the Shrine today at the close of the Shrine's 85th Imperial Council Session in Atlantic City. With Dr. Court is newly elected Imperial Potentate Clayton F. Andrews, who appointed him Imperial Chaplain to more that 800,000 from 166 temples throughout the United States, Canada, Mexico and Panama Canal Zone. I read somewhere in an old article there were 8,000 members at a session (convention), again somewhere late 50's early 60's. All I can say is WOW. As many organizations are struggling with membership I think of the changes that have occurred in our lifetime.

### Then

3 tv channels and the National Athem played at midnight when the station turned off

Rolling down car windows manually

Blue law - stores closed on Sunday

Dress to the nines to fly on a plane

Gas price in 1952 .27 cents a gallon

Drilling rig count January 1973 - 1,219

### Now

Endless opportunities with cable, internet 24/7

Autos run electrically, back-up cameras

Malls closing, shop by computer at home

Yoga pants worn everywhere

Average gas price today \$3.31 a gallon

Drilling rig count January 2024 - 629

The first Desk and Derrick Club was organized in, New Orleans, Louisiana April 1949. By 1952 there were 46 member clubs and membership was 4,782. The ADDC Convention was held in Houston, Texas where 40 clubs were represented and 994 registrants. The first ADDC Convention I attended was held in Little Rock, Arkansas in 2007 and there were over 300 attending and I thought that was a crowd. In 2007 I was working for an oil company in the safety department, I'm now a greeting card creator who works from home. I have been active with the Red River Club since joining in March of 2007 and have made many friends through out the Association. As members have come and gone we lose touch due to work schedules, family obligations and no longer being in the industry. I don't know how to get more individuals to join our organization, I'm quite sure other organizations are dealing with the "changes" as well.

I hope you enjoy the walk down my memory lane of my grandfather and a parade in downtown Shreveport, LA.

**ADDC Membership**

I am so ready for some continuous Spring temperatures here in Oklahoma. It's starting to look and feel like it outside with flowers blooming and ALLERGY season!

All regional meeting packets should now be on the ADDC Website. If you are able, try to attend a regional meeting outside of your own! It is neat to see how other regions interact and do business. The Southeast Region is having a virtual meeting on April 20<sup>th</sup> so that would be a great time to participate at no cost. Contact Angie Corvers, Southeast Region Director for the link to login! All the regions are having some wonderful field trips so take time to look at the packets they have created.

Speaking of region meetings, be sure that your club renewals are in PRIOR to and sent to ADO as soon as possible. As I mentioned before, these must be in by your regional meeting for your club to have a vote and be in good standing! Membership numbers are sitting at 343 members and 1 student member. We are 52% towards our goal!

The Board will soon be sending out the **Proposed 39 Bylaw Amendments and 6 Standing Rule Amendments**. The Rules Committee Chair, Diana Walker, Parliamentarian, Evelyn Green, and I will be working diligently on how to make this process go as smoothly as possible. These will be able to be discussed at the regional meetings so PLEASE take the time to read BEFORE and ask questions to your Region Directors during the open forum. As always, I am also available for questions.

Please access the ADDC website as often as you can. Also, if you have changes that need to be made to your information, you can update at your convenience. [www.addc.org](http://www.addc.org).

**APRIL 2024**

Spring is here! I hope you all had a Holy and Happy Easter Holiday. I was able to spend the day with my children, grandchildren, and great-grandchildren (they are two and one-half and one year old and growing so fast!).

We are well on our way with plans for our first virtual Southeast Region Meeting. The meeting will be held at the East Baton Rouge Parish Library, Greenwell Springs Road branch. We will begin at 10:00 A.M., but will have refreshments (pastries and juice) beginning at 9:30 A.M. We will also provide a light lunch. I will be sending out the link to join the meeting in the next couple of weeks.

Presidents and Committee Representatives don't forget to send your reports in by April 10<sup>th</sup> so that they can be included in the program. Presidents' reports will be presented, but committee reports will not be read due to time constraints. Printed copies will be provided. We will announce the Region's contest winners and elect the 2025 Region Director.

Members of the nominating committee, Kathy Johnson (San Antonio Club), Malissa Carroll (Red River), and Jennifer Accardo (Lafayette), are still working to find a Southeast Region Director, for 2025. If you are interested or your club has a nominee, please contact one of them to make the nomination. I know that we have lots of talent in our Region, so please think about serving in this capacity. We need to have this completed as soon as possible.

On March 21<sup>st</sup> I joined the Lafayette Club for a field trip to the Jimmy Davis Home, and then to a Senate Natural Resources committee meeting at the Capitol. I had a great time. On March 26<sup>th</sup>, Darlene Dodson and I attended a meeting of the Red River Club in Shreveport. We had a nice time visiting with the members there.

Keep those spicy programs and meetings rolling!

Love,  
Angie
