Presidents Letter

Dear Members,

April showers bring May flowers, and all I can say is what beautiful weather, fresh green leaves, a lot of pollen turning everything yellow and green and a variety of temperatures.

Recap of the Southeast Region In-Person and Zoom Meeting that was held at the Greenwell Springs Road Library in Baton Rouge on April 20th. Dorothy Semon and I were in attendance as well as other from across the region. There were several clubs that attended virtually as well as other members. The Southeast Region Meeting rotation is as follows: 2025 San Antonio, 2026 Morgan City, 2027 Red River, 2028 New Orleans, 2029 Victoria, 2030 Lafayette. Our new Southeast Region Director is Jennifer Accardo from the Lafayette Club. The two topics that were discussed were raising dues and having the ADDC Board member serve 2 terms.

Congratulations to our AIMEE WINNERS – 1st Place Desk and Derrick Article: Laverne Broussard, An Interview with a Red Rivers Advisor; 3rd Place Best Desk and Derrick Program, Bonnie Fish, Red River Quiz Bowl with Bobbie Trust, Dorothy Semon, Margie Steed and Bonnie Fish; 1st Place Best Industry Photograph, Malissa Carroll, Pumping Unit on the Creole Nature Trail.

Our April Speaker was Brian Sneed, son of Judy Sneed and President of Bulldog Oilfield Services. Bulldog Oilfield Services is a full service Frac Water Transfer company. Brian explained to us how the water is brought in for the frac process. We learned a lot about the time, effort and politics in Louisiana about Salt Water Disposal. Thank you Brian for this learning opportunity.

This month, we will be recognizing and awarding scholarships to outstanding collage juniors and seniors majoring in areas that will enable them to work in the energy industry. This year we will be granting 2 scholarships to the following students for a total of \$8,000.00.

1. Jacob Fannon, attends Louisiana Tech his degree is in Mechanical Engineering, and he has a 3.2 GPA.
2. Ethan Cochran, attends Louisiana Tech his degree is in Mechanical Engineering, and he has a 3.9 GPA.

Congratulations to both winners.

Our annual RRDD Clay Shoot was a great success, adding \$7,775.94 to our finances. This will be transferred into our savings account to help fund more scholarships. Thank you again to all who participated.

The May Board meeting will be held on Tuesday, May 21st, in the boardroom of St. John Berchman Catholic School. The May Membership meeting will be held on Tuesday, May 28th, at the Petroleum Club. Our guest speaker will be confirmed before that date.

RED RIVER DESK AND DERRICK CLUB
APRIL MEMBERSHIP MEETING MINUTES
TUESDAY, APRIL 23, 2024

The Red River Desk and Derrick Club Membership Meeting was held Tuesday, April 23, 2024, at the Petroleum Club. The meeting was called to order at 7:00 pm. In attendance were Malissa Carroll, Susie Guyer, Dorothy Semon, Arlys Milan, Margie Steed, Sheryl Cole, Margie Gay, Bobbie Trust, Judy Sneed and Stephanie Stuart. Parliamentarian Dorothy Semon announced that we did have a quorum.

The minutes and Treasurer's reports from the March meeting were provided to everyone. There were no corrections needed. Dorothy Semon made a motion to accept minutes as presented, and Bobbie Trust seconded the motion. Members voted unanimously to approve the minutes and file as is. The Treasurer's report was accepted unanimously and will be filed for audit.

There were no items of correspondence this month.

The program for the evening was brought to us by Brian Sneed, son of Judy Sneed and President of Bulldog Oilfield Services. Bulldog Oilfield Services is a full service Frac Water Transfer company. Brian explained to us how the water is brought in for the frac process. We now know what is happening when we see the miles of big hose running down beside the road. They are pumping from a water source such as a frac pond to the location for use downhole to mix with the frac sand. Bulldog is also trying to open a Salt Water Disposal location. We learned a lot about the time, effort and politics of trying to get approved for this. Thank you Brian for this learning opportunity.

The May Board meeting will be held on Tuesday, May 21st, in the boardroom of St. John Berchman Catholic School. The May Membership meeting will be held on Tuesday, May 28th, at the Petroleum Club. Our guest speaker will be confirmed before that date.

There were 11 members and 4 advisors in attendance for the evening. The 50/50 drawing this month totaled \$72 and the winner, Sheryl Cole, took away \$36.

Bobbie Trust brought a report on the 2024 Red River Clays sporting clay event. The final figure for profit is \$7,775.94. Susie Guyer made a motion from the Board to move 100% of these proceeds to the scholarship fund, which was seconded by Arlys Milan. This motion passed unanimously. Then Bobbie Trust made a motion from the membership to move 100% of these proceeds to the scholarship fund, which was seconded by Susie Guyer. This motion also passed unanimously.

Bobbie Trust presented to the membership the 2 scholarship applicants, Jacob Fannon and Ethan Cochran, both Mechanical Engineering students at LA Tech, and both meeting our criteria. Because we only have 2 recipients this year, motions were made to present each student with \$4,000 this year to be paid directly to LA Tech. Susie Guyer made a motion from the Board and Dorothy Semon seconded. This motion passed unanimously. Then Bobbie Trust made a motion from the membership and Dorothy Semon seconded. This motion also passed unanimously.

ADDC Membership

Region Meetings have started! As I write this, West Region is getting ready for their weekend in Corpus Christi. They are changing up the "normal" schedule a bit and having their business meeting on Friday and Field Trip on Saturday! Wishing Heather Woods and West Region a wonderful meeting.

Speaking of regional meetings, Southeast Region is holding their meeting virtually so if you are available you might ask for the link! It will be held this Saturday, April 20 at 10am. This will be Angie Corvers first meeting as Region Director so hopefully several of us will be on to support!

Central Region and Michelle Burgard will be in Great Bend, KS April 25-27. The Great Bend club members are EXCELLENT hosts so I am hoping some members from other regions can attend!

Finally, the Northeast Region and Shelly Hildebrand will be hosting in Canonsburg, PA in May! I have attended a NE Region meeting in the past and I can say it was one of the best meetings I've ever been to.

As I mentioned last month, I think it bares repeating, The Board will soon be sending out the **Proposed 39 Bylaw Amendments and 6 Standing Rule Amendments**. The Rules Committee Chair, Diana Walker, Parliamentarian, Evelyn Green, and I will be working diligently on how to make this process go as smoothly as possible. These will be able to be discussed at the regional meetings so PLEASE take the time to read BEFORE and ask questions to your Region Directors during the open forum. As always, I am also available for questions.

Please access the ADDC website as often as you can. Also, if you have changes that need to be made to your information, you can update at your convenience. www.addc.org,

MAY 2024

We did it! We held our first hybrid Southeast Region Meeting on April 20, 2024. The meeting was held at the Greenwell Springs Branch of our East Baton Rouge Parish Library. They provided a nice room, big screen and projector, and even a laptop computer and cables to set up the Zoom meeting. We couldn't have asked for better service, and it cost us absolutely nothing!

We had 14 attendees at the library, and 17 or 18 who attended via Zoom.. Delegates from all clubs in the region were there, either in person or virtually.

CONGRATULATIONS TO OUR 2025 SOUTHEAST REGION DIRECTOR ELECT, JENNIFER ACCARDO OF THE LAFAYETTE CLUB! Jennifer was elected by acclamation as the delegate's votes were unanimous. Jennifer, I know you will do a great job next year.

The winners of the 2023 Contests were announced. The first-place winners will go on to compete against winners in other Regions. Those winners will be announced at Convention in Dallas. I have sent the list of winners to your presidents. We did not receive the certificates, but they are received they will be mailed to your president.

We also did not have the membership years certificates. I received the pins on Saturday (while I was at the meeting) but not the certificates. I will forward to the presidents.

Thanks to all of you who attended the Region Meeting Saturday in person or virtually. Special thanks to Baton Rouge President Sonya Ryder, and Board members Judy Buckley, Beth Cannon, and Darlene Dodson for making sure we had food and door prizes. Also, special thanks to Judi Adams and Theresa Adams for handling both the memorial and the contest announcements. I truly appreciate all of you.

Keep those spicy programs and meetings rolling!

Love to All!
