May 2024

Westbank Members,

Happy 48th birthday to our club! We celebrated D&D Westbank Style at Specialty Italian Bistro on April 17. There were 18 members and guests in attendance, including 2024 Southeast Region Director Angie Corvers and Baton Rouge member Darlene Dotson (late after getting lost, crossing the HP Long Bridge and resurfacing in Metairie). We toasted to the many past club presidents, region directors, and ADDC presidents that attended.

On April 20th, Theresa Adams, Susan Miller, Gaylen Guillory, and I attended the first ever hybrid Southeast Region Meeting. There were about 20 region members in person and another 13 who attended virtually via Zoom. We are still ironing out some technical issues with hearing those participating remotely.

Region Business was handled very professionally and efficiently by RD Angie Corvers. The program was approved, the Treasurer's Report on the Region Fund was accepted, the meeting schedule rotation was approved, Region Awards of Merit were announced, and a new Region Director was elected by acclamation.

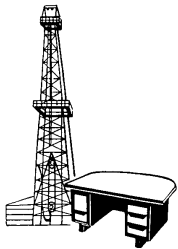

Jennifer Accardo, Lafayette Club, has begun her training to prepare to serve as 2025 Southeast Region Director. Congratulations!!

Scholarship Chairman Gaylen Guillory will present scholarships to very well-qualified applicants at our May 22nd meeting. Join us in congratulating them (more details in June bulletin).

We won't meet in June but we look forward to seeing all of your happy faces at the July 24th meeting. And we'll be gearing up for the Scholarship Bunco on August 10th. Mark your calendars and check with Gaylen or Susan to buy your Bunco tickets.

Hope to see you at the meeting this month.

Judi Adams

48th Westbank D&D Club Birthday Luncheon – April 17, 2024

The Desk and Derrick Club of the Westbank will be collecting items for the residents at the Reserve, LA Veterans' Home.

This year, Susan is focusing on two main collections and distributions: MONTHS OF: JULY (July 4TH) and NOVEMBER. (Veterans' Day)

Let's help brighten the day for our retired service men and women.

Things they always need are socks, books, combs, brushes, shower caps, tissues, travel soaps, razors, shampoo, conditioners, pens, stationery, crossword puzzles and other games.

They really appreciate getting single-serving microwave items, like macaroni and cheese, rice-a-roni, oatmeal, and grits.

The residents of the Reserve, LA Veteran's Home will appreciate it.

Contact Susan Miller smiller7451@yahoo.com 504.908.6131

We did it! We held our first hybrid Southeast Region Meeting on April 20, 2024. The meeting was held at the Greenwell Springs Branch of our East Baton Rouge Parish Library. They provided a nice room, big screen and projector, and even a laptop computer and cables to set up the Zoom meeting. We couldn't have asked for better service, and it cost us absolutely nothing!

We had 14 attendees at the library, and 17 or 18 who attended via Zoom.. Delegates from all clubs in the region were there, either in person or virtually.

CONGRATULATIONS TO OUR 2025 SOUTHEAST REGION DIRECTOR ELECT, JENNIFER ACCARDO OF THE LAFAYETTE CLUB! Jennifer was elected by acclamation as the delegate's votes were unanimous. Jennifer, I know you will do a great job next year.

The winners of the 2023 Contests were announced. The first-place winners will go on to compete against winners in other Regions. Those winners will be announced at Convention in Dallas. I have sent the list of winners to your presidents. We did not receive the certificates, but they are received they will be mailed to your president.

We also did not have the membership years certificates. I received the pins on Saturday (while I was at the meeting) but not the certificates. I will forward to the presidents.

Thanks to all of you who attended the Region Meeting Saturday in person or virtually. Special thanks to Baton Rouge President Sonya Ryder, and Board members Judy Buckley, Beth Cannon, and Darlene Dodson for making sure we had food and door prizes. Also, special thanks to Judi Adams and Theresa Adams for handling both the memorial and the contest announcements. I truly appreciate all of you.

Keep those spicy programs and meetings rolling!

Love to All!

Angie

SOUTHEAST REGION PRESIDENT’S REPORT DESK AND DERRICK CLUB OF THE WESTBANK

Madame Director, Delegates, and Members,

The Desk and Derrick Club of the Westbank is twenty-eight (28) members strong. We welcomed Gabriella Hunter back and gained her husband, Jim, as a new member.

So, what’s the first thing you do with a new member? You ask them (and they agree) to be the January industry speaker. He truly believes in the motto: Greater Knowledge-Greater Service.

We were able to subsidize some or all of our club members 2024 dues. To reduce costs for the club and our members, we voted to have only six meetings, scheduling every other month. We will meet ADDC Program minimum required industry speakers or presentations showing industry-related videos if we can’t get a real person face to face.

Member Charlie Miller is serving as API-Delta Chapter President and just completed a year as President of PLANO (Professional Landmen’s Association New Orleans). Three of our members are serving on ADDC committees as chairman, regional representative, or both.

Our Scholarship Committee will present two \$1,000 scholarships next month. The Scholarship Committee is busy putting together the final touches on our annual Bunco to be held on Saturday, August 10th. I’ll send the flyer out to the 2024 Club Presidents – you are all invited! Since its inception, we have given scholarships totaling \$147,000 to qualified students.

To honor March as Desk and Derrick Awareness Month, we held a “Jeopardy!” answer-question format with everyone participating on three teams. The mayor of Gretna, Belinda Constant, presented us with a proclamation. Our local politicians and industry leaders know how important the energy industry is to the state and our local communities.

This month our club celebrates its 48th anniversary. Instead of holding a meeting due to our reduced number of meetings, we had an informal luncheon on Wednesday, April 17^t and toasted our members and leaders who have served as Club President and ADDC leadership positions.

We have three community service projects: Food Bank collection to provide non-perishable food for summertime, when children don’t have the benefit of school breakfasts and lunches; personal items for the Reserve Vets home; and toys for Children’s Hospital in New Orleans.

I am honored and privileged to serve as Club President – Westbank is the Best Bank!!

Judi Adams

I hope to represent the Southeast Region as Regional Director in 202(5). As a representative for the region, I plan to work with the other Clubs in our region and address concerns and relay information as needed. I know past region directors have held quarterly zoom meetings with the club presidents and I would like to continue this as well during 202(5). As the club continues to face a decline in membership, it is important that the members we do have remain engaged and involved.

Report of Committee	ADDC Leadership Resource Committee (SP, LRP, GAME)		
Meeting	2024 Regional Meetings	Date	Various Dates
Location	Various Region Meeting Locations		
<p>The purpose of the Leadership Resource Committee is to provide resources to ADDC membership concerning effective leadership skills to include conducting a meeting, moving forward in leadership roles in the organization, retaining membership, and recruiting new members within ADDC clubs. The Leadership Committee also oversees the Strategic Planning (updated February 2022), Long Range Planning, and GAME for ADDC.</p> <p>The 2024 Leadership Resource Committee would like to provide videos/webinars concerning leadership topics to membership via the ADDC website. Address leadership at the Club, Region, and Association level. We would like to encourage membership to step up in a leadership role. Provide podcasts involving techniques on improving public speaking skills. This is important for both personal and career attributes.</p> <p>Strategic Planning: The purpose of Strategic Planning (comprised of committee chairman & ADDC Board members) is to ensure ADDC has goals set to accomplish criteria created by the ADDC Board (updated in 2022).</p> <p>Club Bylaws: Review and update the committee guidelines, Update the spreadsheet with hard deadlines.</p> <p>Guidelines Review: Review the guidelines and forms on the website for updates, create ideas and example templates for budget and planning, regional and convention reports, Update the member transfer form.</p> <p>Education/Certification: Create quality and professional educational videos to provide to technology committee, guidelines for how to create and prepare quality videos.</p> <p>Membership: Provide ideas to membership chair to help increase membership, review non-renewals and will send out exit survey, on how to engage past presidents and retirees in more active roles.</p> <p>Program: Reports submitted timely (w/in 7 days of meeting), Provide suggestions for speakers/topics, summary of Club Reports.</p> <p>Public Relations/Marketing: Guidelines and Procedures Updated, retrieve printed brochures and distribute to RD's for Regional meetings, increase social media presence.</p> <p>Rules: Change guidelines to ensure committee responsible to ensure updated online ASAP following adoption to the ADDC website.</p> <p>Long Range Planning: The purpose of the LRP is to Assist clubs with setting Long Range Plans that are feasible and executable by the club. Assist the ADDC Board in additions and changes to ADDC Long Range Plan.</p> <p>Long Range Planning is “planning on paper”. The five basic components:</p> <ul style="list-style-type: none"> Goals – what is to be done Objectives – how will the goal be obtained Responsibility – who will do it Deadline – when will it be completed Evaluation – why the goals did/did not work

GAME:

Ideas any club can try:

- **Keep members active and involved.**
 - Try to get every member serving on a committee, as a chairman or committee member.
 - Ask members to be speakers or to arrange for a speaker at a monthly meeting.
- **Provide incentives for members.**
 - Offer a free dinner once/year for Perfect Attendance
 - Reimburse a portion (or ALL if funds are available) of Region Meeting or ADDC Convention registration
- **Plan social activities that can include family and friends.**

Report of Committee	Education/Certification		
Meeting	Regional 2024	Date	April/May
Location	Multiple		

None of the Regions were able to conduct a Certification Class. We will be putting on a virtual certification class in June that will cover the Energy Technician Track: Transportation, infrastructure & consumption.

We will not be hosting a full certification class at convention, but instead those that participated in the virtual course and will be attending convention will be offered the opportunity to attend a field trip that will provide a in person tour of this subject.

The virtual class will be \$75.00 and details will go out soon.

Of note, we are also working on updating the information on the committee tab on the website.

Thank you for the patience of the committee as we get through our regional, which had a few hiccups and required mine and Heathers full attention!

May 2024

ADDC Membership

Region Meetings have started! As I write this, West Region is getting ready for their weekend in Corpus Christi. They are changing up the "normal" schedule a bit and having their business meeting on Friday and Field Trip on Saturday! Wishing Heather Woods and West Region a wonderful meeting.

Speaking of regional meetings, Southeast Region is holding their meeting virtually so if you are available you might ask for the link! It will be held this Saturday, April 20 at 10am. This will be Angie Corvers first meeting as Region Director so hopefully several of us will be on to support!

Central Region and Michelle Burgard will be in Great Bend, KS April 25-27. The Great Bend club members are EXCELLENT hosts so I am hoping some members from other regions can attend!

Finally, the Northeast Region and Shelly Hildebrand will be hosting in Canonsburg, PA in May! I have attended a NE Region meeting in the past and I can say it was one of the best meetings I've ever been to.

As I mentioned last month, I think it bares repeating, The Board will soon be sending out the **Proposed 39 Bylaw Amendments and 6 Standing Rule Amendments**. The Rules Committee Chair, Diana Walker, Parliamentarian, Evelyn Green, and I will be working diligently on how to make this process go as smoothly as possible. These will be able to be discussed at the regional meetings so PLEASE take the time to read BEFORE and ask questions to your Region Directors during the open forum. As always, I am also available for questions.

Please access the ADDC website as often as you can. Also, if you have changes that need to be made to your information, you can update at your convenience. www.addc.org,

"Anything is possible when you have the right people there to support you."
~Unknown

Sincerely,
Wendy Sparks

Club Bylaws Review Committee

May 2024

Judi Adams
Chairman

Region Representatives
Board Contact – Jamie Sabata

Club and Region Bylaws: Clubs are required to follow Section II. Bylaws in the Club General Information Section of ADDC Bylaws:

II. Bylaws

B. Region and Club Bylaws shall be submitted according to the Club Bylaws Review Committee guidelines at least once every four (4) years per the committee's guideline procedures and Exhibit E, Bylaws Review Schedule spreadsheet.

C. Clubs shall not be eligible to have a voting delegate at any Association meeting (Region or Convention) until the Club Bylaws Review Committee Chairman has confirmed compliance.

Congratulations!! All clubs are currently in compliance with the ADDC Bylaws procedure.

Clubs scheduled for 2024 review are:

Central: Graham, Wichita Falls

Southeast: Baton Rouge, Morgan City, New Orleans, Red River, Victoria

Northeast: PYOGA

West: Midland

Region Bylaws: West

The 2024 deadline to submit bylaws scheduled for review this year is July 30, 2024. All clubs that are due to be reviewed this year will be considered delinquent if they do not submit their bylaws by the deadline. Delinquent clubs may be ineligible to have a voting delegate at ADDC Convention in September.

Exhibit A sheet must be submitted with bylaws to be reviewed. Please submit the bylaws in an editable format (Word, Publisher).

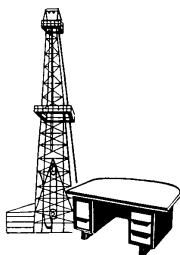

Regards,

Judi

March 31, 2024

To: Association of Desk and Derrick Members
From: 2024 ADDC Nominating Committee
Re: Nominations for 2025 ADDC Officers

The 2025 Officers of the Association of Desk and Derrick Clubs will be elected at the 2024 ADDC Convention to be held in Dallas, Texas.

The ADDC Nominating Committee is currently accepting nominations for the following 2025 ADDC Officers:

- President-Elect*
- Secretary*
- Treasurer*

The deadline for all nominations to be received by the Nominating Committee Chairman is June 10, 2024. Any nominations received after that date will not be considered by the Nominating Committee.

Requirements and procedures for submitting nominations and the duties of the Officers are described in the Association Bylaws and can be found on the ADDC website in the Guidelines section. All candidates for nomination to ADDC offices shall:

1. Have served or be serving as Regional Director.
2. Nominees for Association President-Elect must have served or be serving on the Association Board.
3. Nominees shall possess knowledge of Desk and Derrick history and aims, and dedication to the Association’s purpose.
4. Nominees shall have sufficient time available for assigned responsibilities.
5. Be bondable

The ADDC Officer Nomination Forms are available in the Forms section of the Members Only pages of the ADDC Website (www.addc.org), or see attached.

Please send all nominations by the June 10, 2024, including NOMN1, NOMN2, and NOMN2A forms, along with a photo of the candidate to Evelyn Green, Nominating Committee Chairman, via regular mail at the address above or via e-mail at evelyn@gbcminerals.com

Sincerely,

Club:		Region:	
President Name:			
Address:		City, State, Zip:	
Phone:		e-Mail:	

The Club has voted to submit the following nominee(s) for Association Office for the year _____

Office:	Nominee:
President Elect	
Secretary	
Treasurer	

See Nominating Committee official letter for deadline, mailing/e-mailing address, and further instructions.

Nominations may be submitted via mail or by email.

Nominations submitted via mail, UPS, FedEx, etc. should contain three (3) sets of all items listed below.

Nomination(s) submitted via email should have one (1) set of all items listed below as attachments.

All nominations must include:

NOMN 1 - ADDC Officer Nomination Form

NOMN 2 - Candidate's Qualifications Form

NOMN 2A - Candidate's Goals (100 words or less)

Westbank Members,

If you are interested in running for a position on the 2025 ADDC Board of Directors, please notify me so we can do the paperwork and get membership approval.

Judi

SAFETY FIRST, SAFETY ALWAYS.

Offshore Oil & Natural Gas Exploration & Production

THE SAFEST IT'S EVER BEEN

Safety stands out as a core value for the oil and natural gas industry, embedded in every process and decision for operations. This approach has led to continued advancements in technology, improved industry standards and enhanced best practices, smarter regulations, and innovative approaches to addressing offshore safety. This continued and comprehensive progress has made offshore oil and natural gas exploration and production the safest it's ever been.

Continuous improvements occur through learning, collaborating and innovating. For example, because industry has been producing offshore for many decades, there's been an increased understanding of offshore operations, which has led to a growing and improving list of operating standards to improve safety. Currently there are more than 200 American Petroleum Institute (API) offshore industry standards, and since 2010, API has revised or created more than 100 new exploration and production standards. These standards help to reduce risk significantly by ensuring that smart and proven techniques and protocols are available for operators to follow.

Powered by the American Petroleum Institute www.api.org
© Copyright 2020, all rights reserved. Digital Media | DM0020-022 | PDF

SAFETY FIRST, SAFETY ALWAYS.

Immediately following the Deepwater Horizon incident the industry came together to invest substantial time, expertise, and millions of dollars in support of major enhancements to prevention and emergency response capabilities. The Center for Offshore Safety was established by industry to promote the highest level of safety for offshore exploration and production through leadership, effective safety and environmental management systems and collecting safety and incident data to support the continuous improvement of safety management programs. Additionally, two new companies were formed, the Marine Well Containment Company and HWCG, LLC. These companies focus solely on improving industry response in the event of a deepwater well control incident. Equally as important they demonstrate a step change in the collaborative nature in which the industry approaches safety. Together they are using the latest deepwater technologies, employing industry's well control experts, and routinely collaborating with federal officials to conduct incident response drills.

Their strategically positioned and readily available equipment, such as capping stacks and the vessels required to transport them, are designed to allow industry's experts to quickly "cap" and shut off a flowing well.

This approach to safety is not only an industry effort, but a community effort along with multiple federal and local agencies as well as local businesses all actively participating.

Industry and government are better prepared than ever to prevent an incident from ever occurring, responding in the unlikely event one does occur, and mitigating against any possible impacts.

In addition to these more traditional methods of reform, BSEE's requirement for operators to implement a Safety Environmental Management System (SEMS) shows a new and less traditional approach to safety by focusing on human performance and not just technical regulations. BSEE's SEMS regulation references *API RP 75 Recommended Practice for Development of a Safety and Environmental Management Program for Offshore Operations and Facilities* and references three Center for Offshore Safety documents regarding SEMS auditing.

Safety and Environmental Management Systems are now implemented by every offshore operator which empowers workers to promote and participate in safety decisions. Furthermore, the government established additional, robust drilling safety requirements in 2010 that cover the key operational aspects of drilling an offshore well, and regulatory enhancements have continued since then. And with dedicated funding for inspections and enforcement, the government is in a strong position to ensure the offshore industry is meeting its obligations.

Improvements to industry standards, best practices, safety systems and government regulations work effectively together to enhance our capability to prevent and responds to a potential well control event. As the global demand for energy continues to grow, it is vital that we continue to develop our offshore oil and natural gas resources to fill this need and to provide energy security domestically and for our allies.

LOUISIANA ENERGY: QUICK FACTS

- Louisiana ranks third in natural gas production and fifth in proved natural gas reserves among the states. Louisiana accounts for about 10% of U.S. total marketed natural gas production and holds about 7% of the nation's natural gas reserves.
- Louisiana's 15 oil refineries account for nearly one-sixth of the nation's refining capacity and can process about 2.9 million barrels of crude oil per day.
- In 2022, Louisiana shipped 63% of the nation's liquefied natural gas exports and about 14% of its coal exports. New Orleans is the third-largest U.S. coal exporting port.
- Louisiana's total energy consumption ranks third among the states and its per capita energy consumption is the highest, largely because of its energy-intensive chemical, petroleum, and natural gas industries.
- Louisiana has the highest per capita residential sector electricity consumption in the nation. Almost 7 in 10 Louisiana households rely on electric heating and nearly all households have air conditioning.

Prep	Total	Servings
30 MIN	50 MIN	8

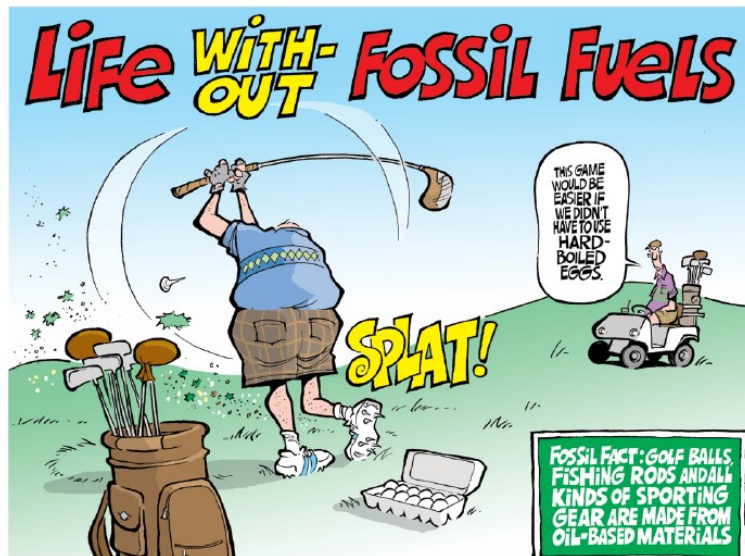

Ingredients

- 1 lb lean (at least 80%) ground beef
- 1 cup chopped onions
- 1 packet (1 oz) Old El Paso™ Original Taco Seasoning Mix
- 2/3 cup water
- 1 can (19 oz) Old El Paso™ Mild Red Enchilada Sauce
- 1 can (15 oz) Progresso™ black beans, drained, rinsed
- 1 bag (9.25 oz) Fritos™ corn chips (about 5 1/2 cups)
- 2 cups shredded Mexican cheese blend (8 oz)
- 1/4 cup chopped green onions
- 1 cup sour cream
- 1 cup refrigerated guacamole

Steps

- 1 Heat oven to 350°F. Spray 13x9-inch (3-quart) glass baking dish with cooking spray.
- 2 In 12-inch nonstick skillet, cook beef and onions over medium-high heat, stirring frequently, until brown; drain. Stir in seasoning mix and water. Heat to boiling. Reduce heat to medium; simmer uncovered 3 to 4 minutes or until thickened. Stir in enchilada sauce and black beans; cook 1 to 2 minutes or until heated through.
- 3 Place 4 cups of the corn chips in single layer in baking dish. Top with 1 cup of the cheese; spoon beef mixture over cheese, then top with remaining 1 cup cheese.
- 4 Bake 18 to 20 minutes or until cheese is melted and edges are bubbly. Top with remaining corn chips and the green onions. Serve with sour cream and guacamole.
