JUNE 2024 PRESIDENT'S LETTER

Dear Members,

Summer is definitely upon us and we are off to a wonderful start. Life seems to become increasingly busy this time of year. School is out and summer vacations have started. I know that many of us will be taking vacations to see the sights and visit family. This is an exciting and busy time of year so remember to stay safe.

Our May Industry Appreciation meeting was wonderful! I can't thank our very own Robert Stroud for stepping up and doing a wonderful job as our speaker. I was very excited that we were able to award 2 scholarships this year. One of our recipients Jacob Fannon and his parents Lee and Cherie drove down from Arkansas to accept his Certificate and attend our meeting.

The Board meeting will be held on June 18th at 5:30 PM at St. John Berchmans Catholic School. I hope to see you at our June Membership Meeting on June 25th. We will be watching a video about the History of Natural Gas.

God Bless and have a safe June!!

Sincerely,
Malissa Carroll

RED RIVER DESK AND DERRICK CLUB
MAY 28, 2024
MEMBERSHIP MEETING MINUTES

The Red River Desk and Derrick Club Membership Meeting was held Tuesday, May 28, 2024, at the Petroleum Club. The meeting was “unofficially” called to order at 6:50 pm. In attendance were Malissa Carroll, Jean Cooper, Susie Guyer, Laura Hatcher, Kathryn Jackson, Arlys Milan, Linda Porter, Margie Steed, Judy Sneed, Stephanie Stuart, and Bobbie Trust. We did have a quorum present.

The program for the evening was brought to us by Robert Stroud, Advisor as well as President of Stroud Production. He gave us a very entertaining crash course on Oil and Gas Production 101. We all learned something, including how to relate producing and frac'ing to straws and sodas. Thank you, Robert, for always being so willing to bring something to us. It was an added pleasure to have your wife and son there with you.

The June Board meeting will be held on Tuesday, June 18th, in the boardroom of St. John Berchman Catholic School. The June Membership meeting will be held on Tuesday, June 25th, at the Petroleum Club. Our program for that meeting will be a YouTube video presentation titled The History of Natural Gas by Chesapeake Energy.

Bobbie Trust presented our 2 scholarship winners, Jacob Fannon and Ethan Cochran. Both young men are Mechanical Engineering students at LA Tech. Because we only had 2 recipients this year, we were able to present each student with \$4,000 this year to be paid directly to LA Tech. Ethan was unable to be in attendance. Jacob Fannon was present to accept a certificate and congratulations. Joining Jacob were his parents Lee and Cherie Fannon. Congratulations to both recipients on your hard work and for continuing our industry.

In addition to honoring our scholarship winners we also honored our advisors and had 4 in attendance including Louise Pearce, Mark Heacock, Jim O'Bannon and Robert Stroud. Thank you all for your support of Desk and Derrick. You make it better for us all.

The only item of business presented was to suspend the July Board and Membership Meetings for 2024 only. We have met our required criteria so it was decided to allow all members to take the month of July to enjoy family vacations and a quiet month. Kathryn Jackson made the motion to suspend the two July meetings and Stephanie Stuart seconded the motion. A unanimous “aye” passed this motion.

There being no further business to discuss, the meeting was adjourned at 7:00 pm.

Respectfully Submitted by Susie Guyer

JUNE 2024

Happy summer! I hope you are doing well. I know there has been some horrendous weather across Louisiana, Mississippi and Texas. I pray everyone made it through the storms unscathed.

On May 1st I, along with Baton Rouge Club members Judy Buckley and Beth Cannon, attended Industry Day hosted by Grow Louisiana Coalition. The event was held at the Capitol Park Museum, across from the Louisiana State Building, and featured over 30 companies and exhibits. There was also a delicious buffet for attendees to enjoy, as well as music and two bars. It was well attended by industry representatives as well as legislatures and business owners. Grow Louisiana Coalition, along with Louisiana Mid-Continent Oil & Gas Association (LMOGA) and Louisiana Oil & Gas Association (LOGA) host the event each year. If you can attend next year, I know you will find it very interesting.

As I mentioned in my last letter, I did receive the membership certificates and pins, however many of them are 1-year certificates for members with way more years of membership - some of them 20 years or more. I am in the process of getting these corrected.

Wendy asked if we were interested in having presidents' meetings via Zoom. In response to the question, the Southeast Region Presidents agreed that a meeting every other month it would be worthwhile. I will work on setting up the first meeting in June. We will have meetings in June, August, October, and December. If anyone feels we need a meeting in between these months, we can certainly set one up. In August we will discuss the amendments to be voted on at Convention.

Keep those spicy programs and meetings rolling!

Love to All!

Angie
