Report for Pre-Convention Meeting

Report of	West Region Director		
Meeting	2024 Pre-Convention Board Meeting Report	Date	September 21, 2024
Location	Zoom		
Items Requiring Vote (<i>state motion</i>), General Consent Decision, or Discussion by Board.			
Discussion by Board: I propose that the Board begin discussion regarding the Charity Rising Contract for 2025. The continuance of the contract and therefore the expense of the management company will impact the discussion and vote at Convention for the proposed amendment to increase membership dues to \$70.			
General Information Items			
The 2025 Region Meeting is hosted by the Desk and Derrick Club of Midland and is anticipated to be held in Midland, Texas in April 2025.			
Requests for Assistance by the Association Distribution Office			
Please update the Membership Directory to include the Artesia Club members. I believe it may be helpful to include a statement of FAQ on the website login page and/or login splash page to prompt members having issues with logging in or website view/functionality to delete their ADDC.org cookies.			
Requests for Assistance by ADDC Board of Directors or ADDC Committees			
Per the Bylaws, I request that the Treasurer please provide to the Region Directors for distribution to the Clubs "a written quarterly report with highlights (budget to actual variances and significant expenditures) of both ADDC operating funds and ADDC convention funds to the clubs" for the 1 st and 2 nd quarters of 2024 prior to Convention.
